

The Pods are
going to the zoo!

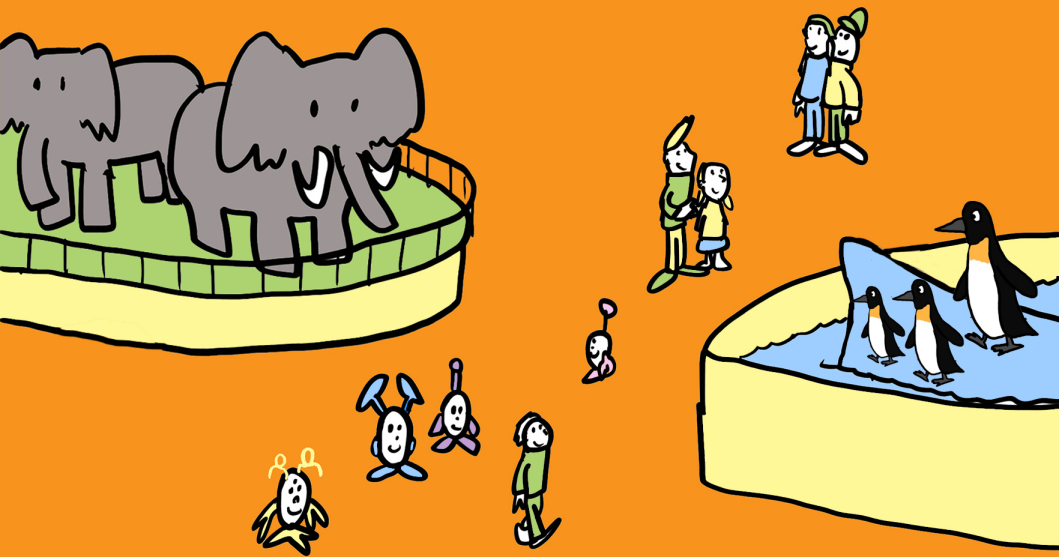

The Pods Social Story Pack – We're Going to the Zoo

Who are The Pods?

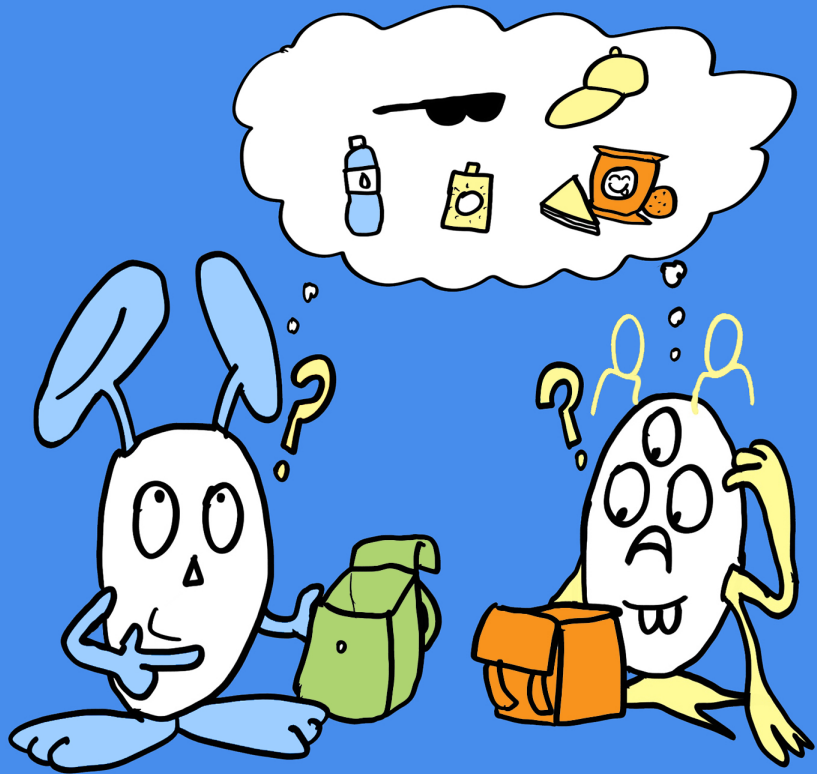

The Pods are a group of eight unique and diverse characters, each with their own quirks and personality traits. Together they celebrate each other's strengths. Through humour and teamwork they address all of life's ups, downs and triumphs.

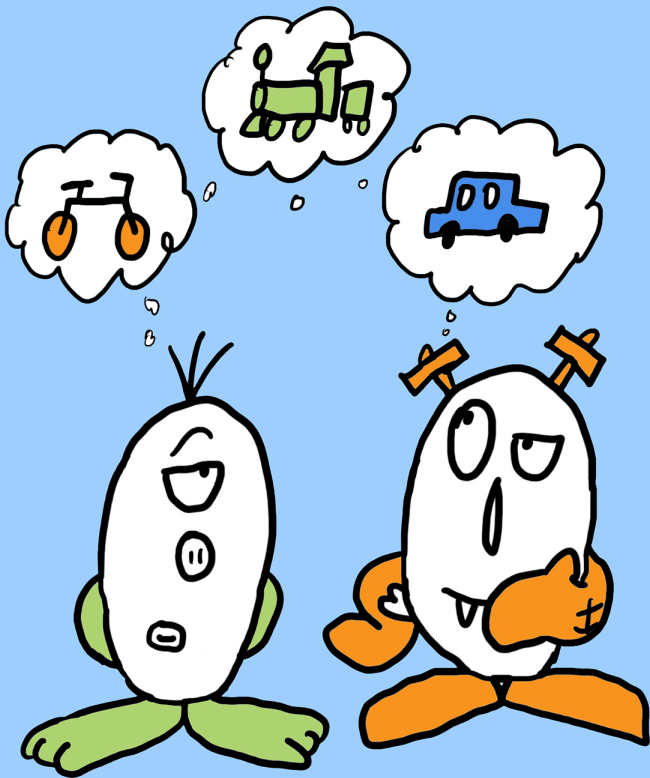

A zoo is a place where animals live and people can visit to see them and learn about them.

We pack our back packs, don't forget snacks and water!

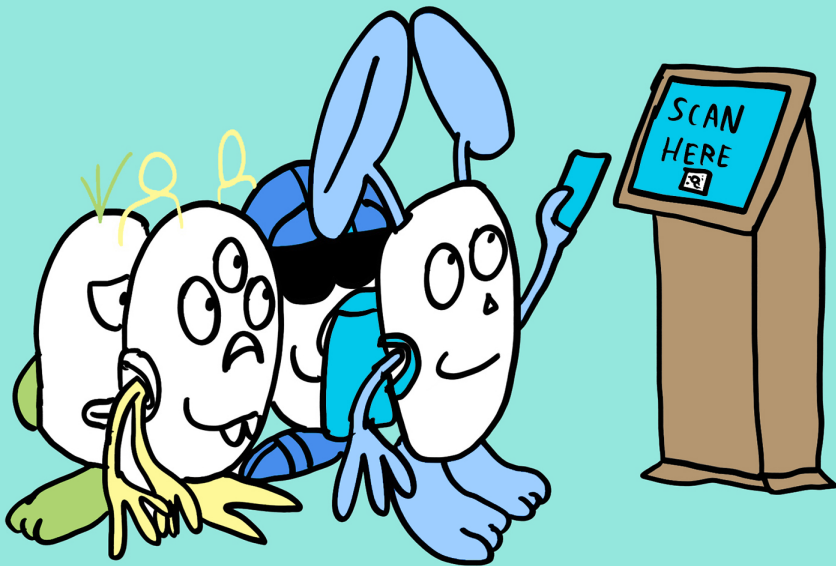

We think about how are we going to get to the zoo.

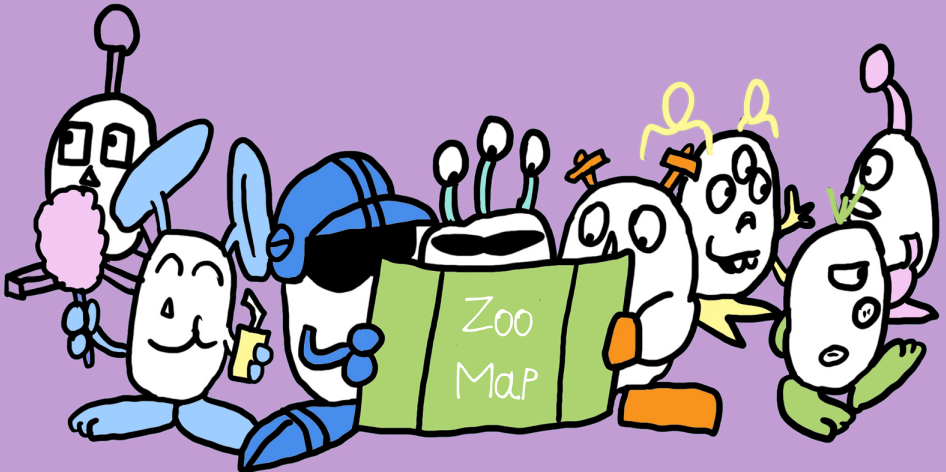

The zoo has a big entrance building.
We walk into it to get into the zoo.

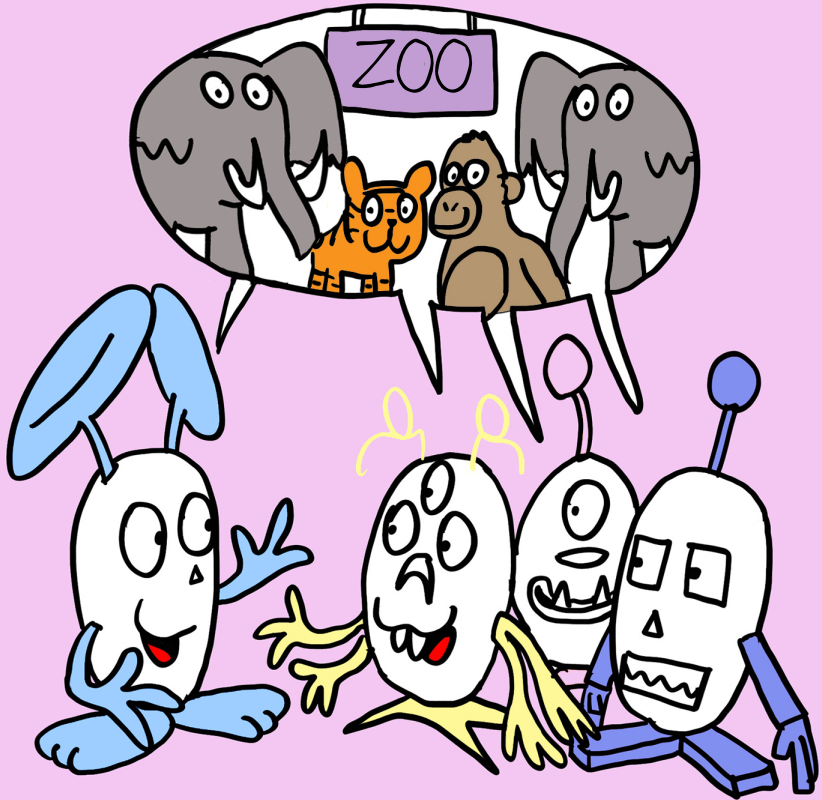

We scan our tickets in the machine.

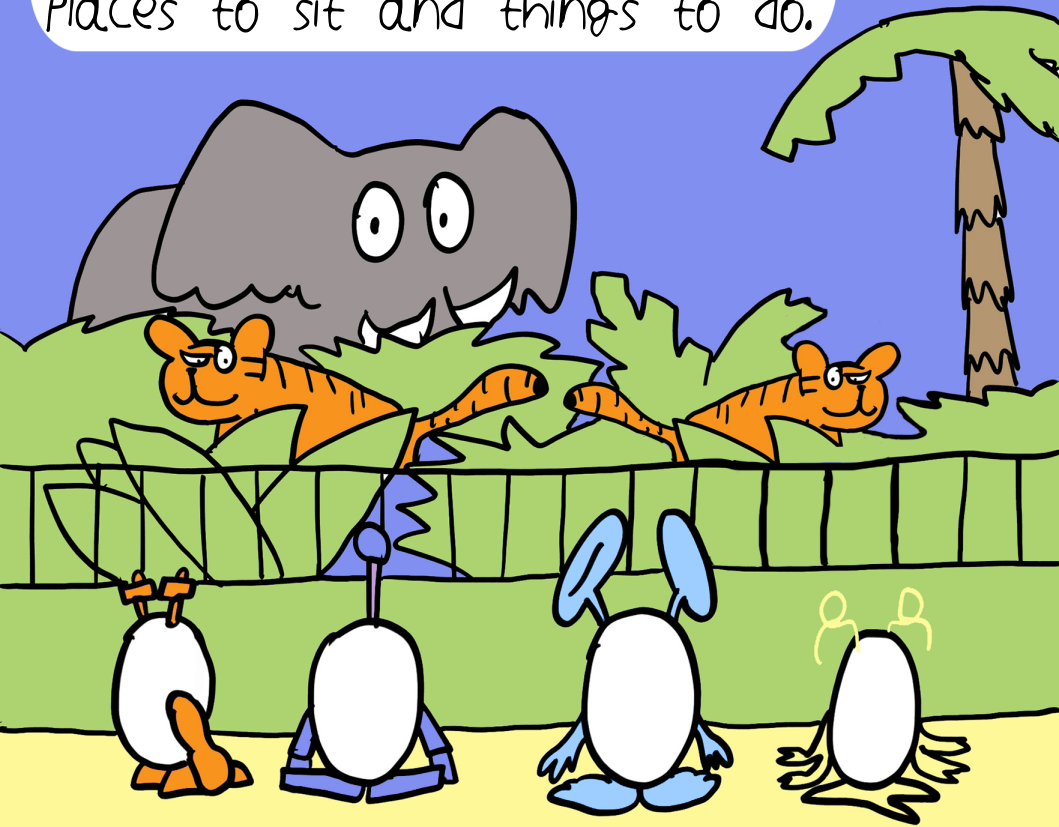

We can look at
a map of the zoo.

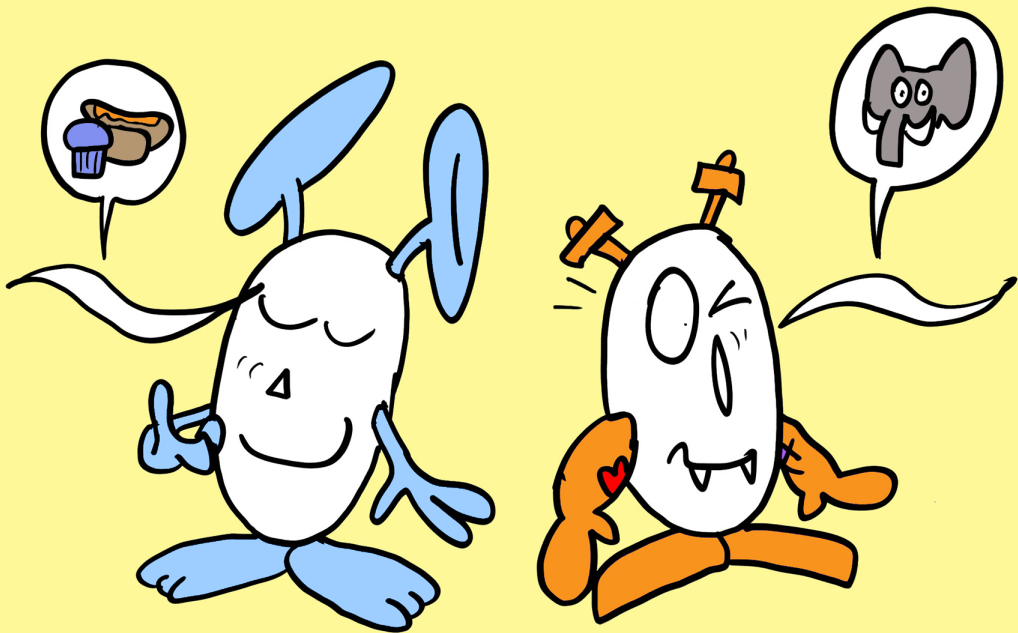

We can decide where we want to go
and what animals we would like to see.

There are lots of animals to see, as well as food stalls and places to sit and things to do.

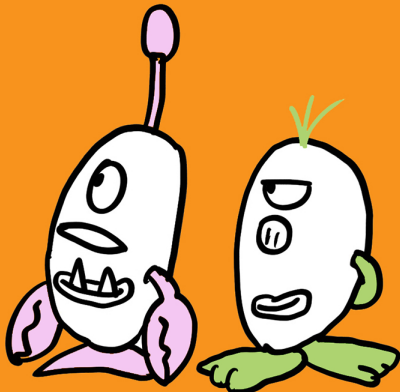

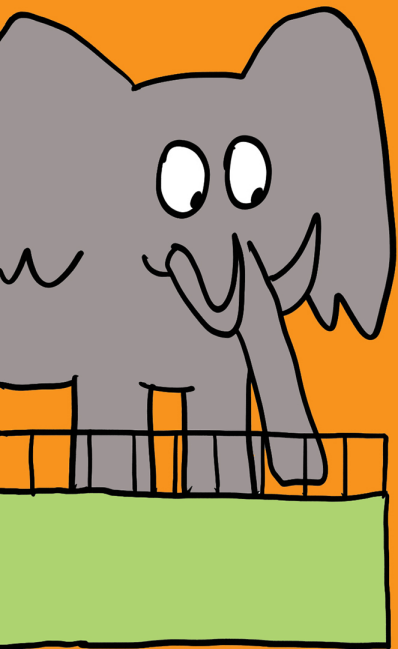

There will be lots of new smells
from animals and also food!

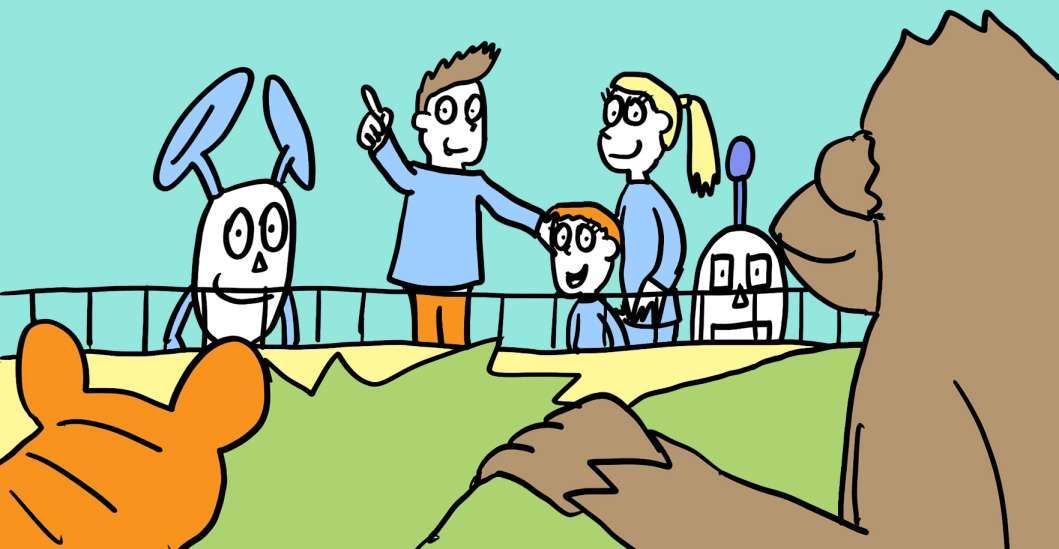

If it is noisy, we can wear ear defenders or headphones to make the noise quieter.

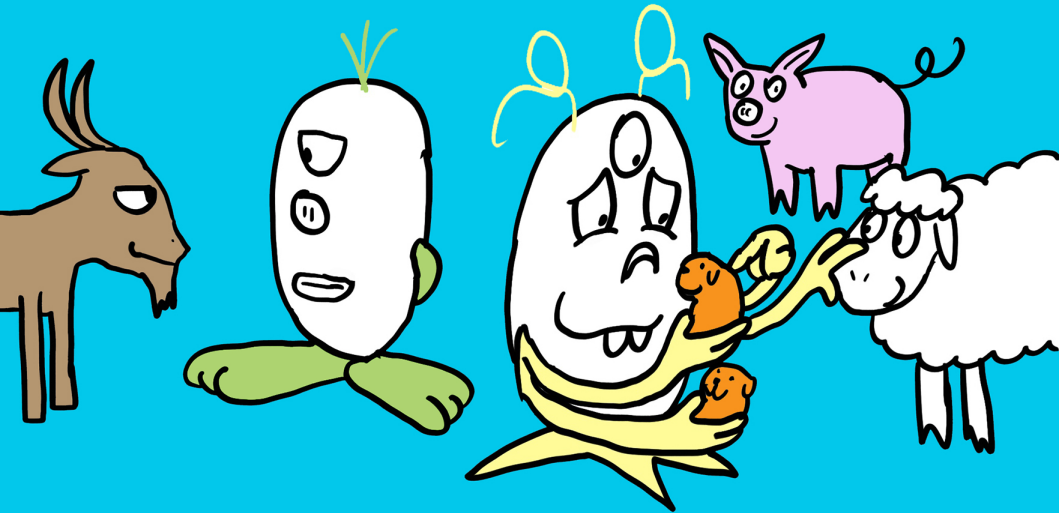

We can explore the zoo and see all the animals including elephants...

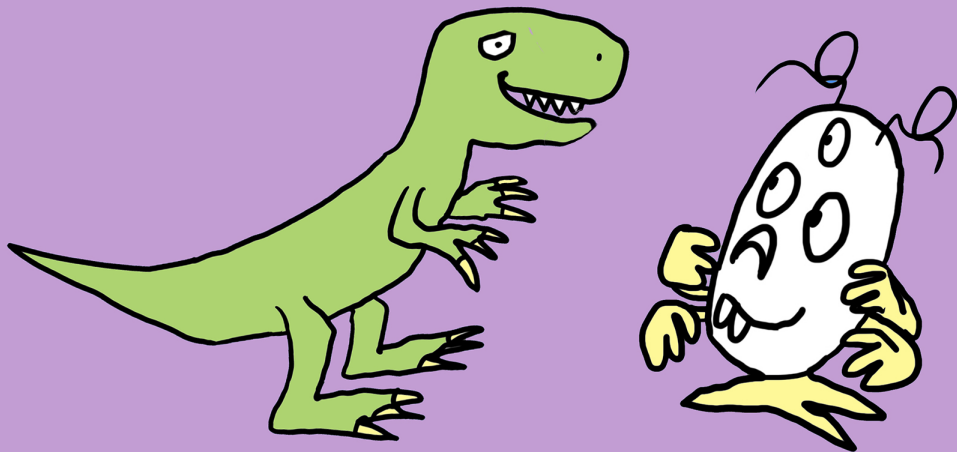

and orangutans
and tigers.

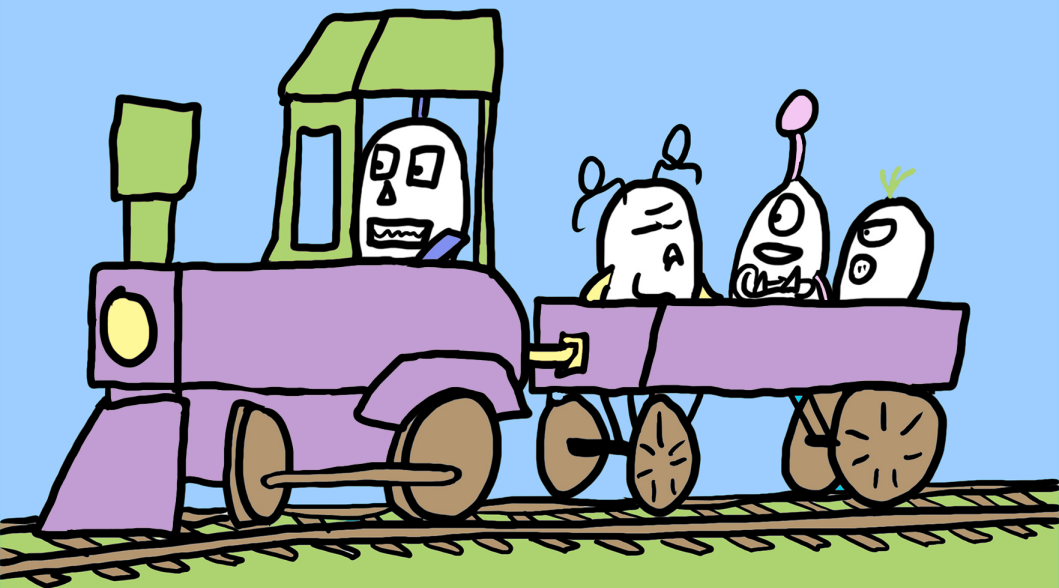

We can also explore the farm area with pigs, goats, sheep and guinea pigs. We can touch or hold the guinea pigs if we want to.

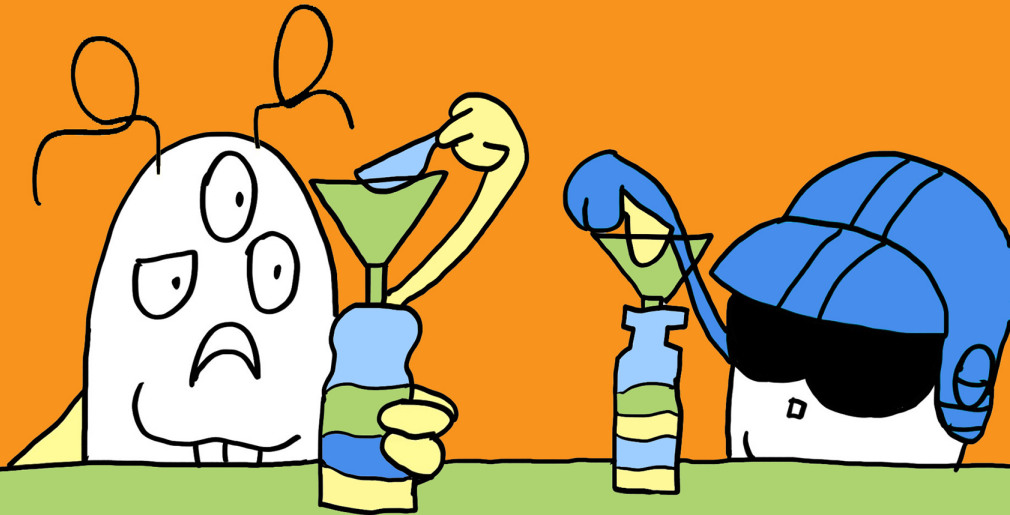

or we can visit the dinosaurs...

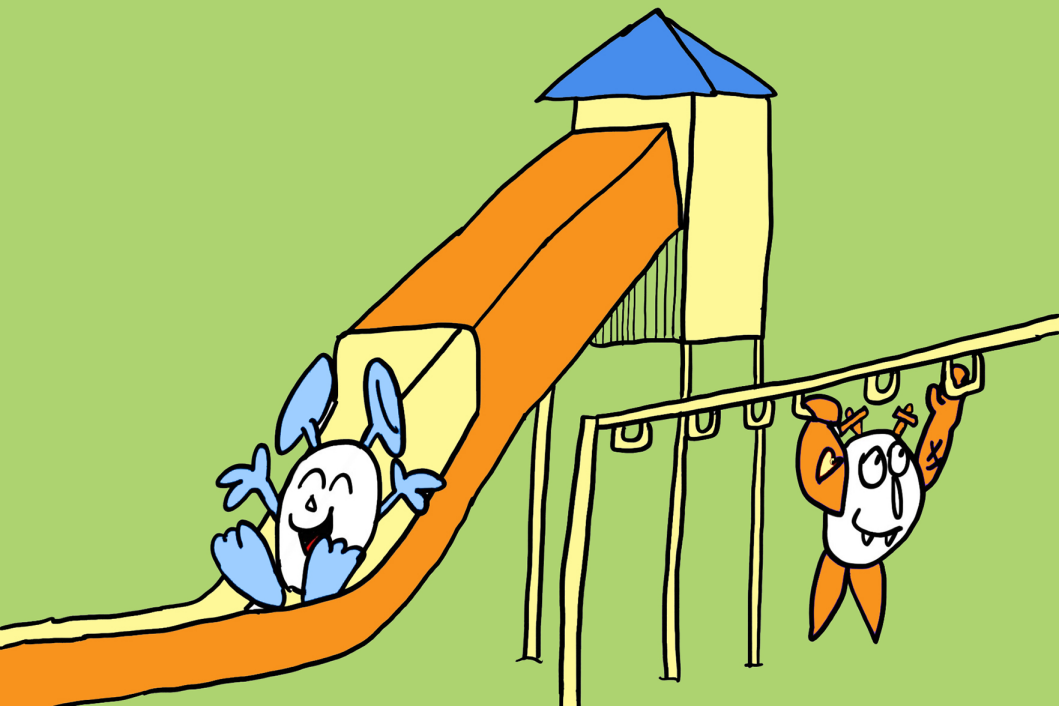

or go on a train ride...

or we could try
some crazy sand art...

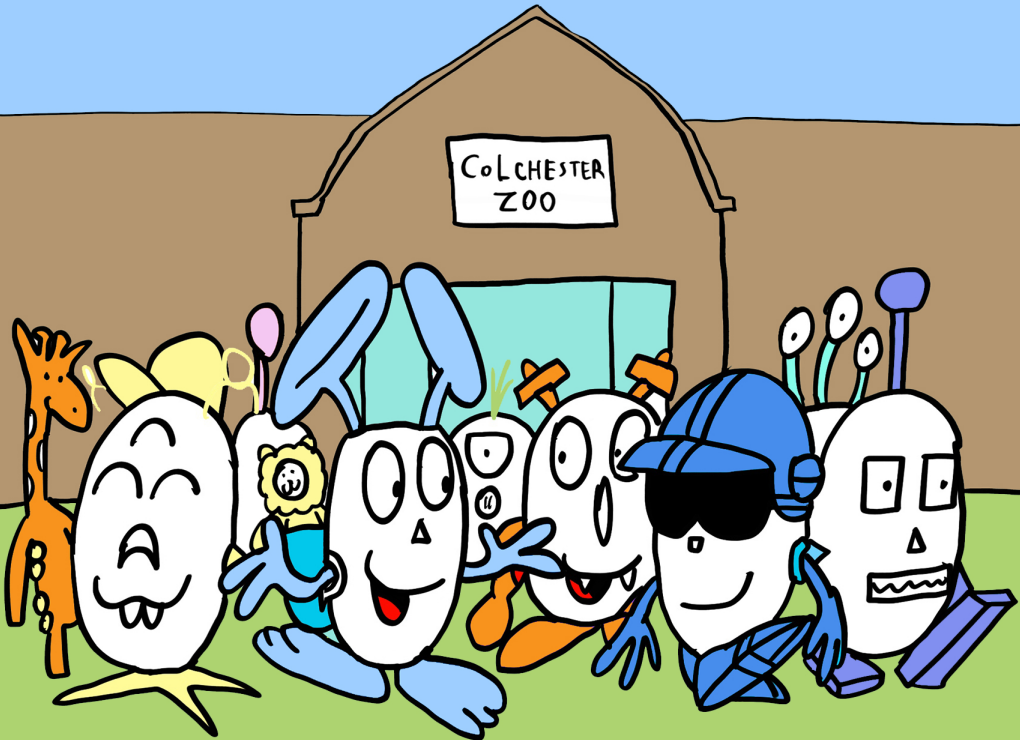

or Play in the Playground.

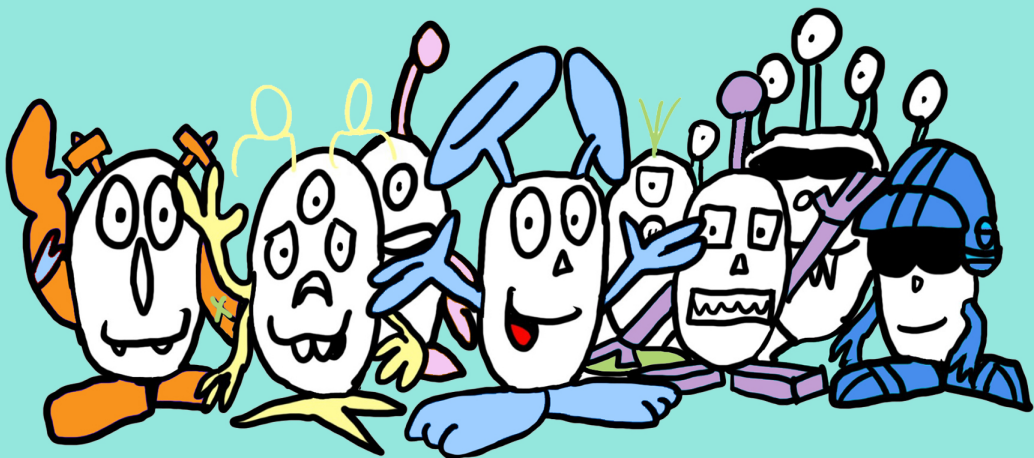

We can also watch the
Animal Guyz Show.

When we are ready we can
leave the zoo and go home.

...and we will have
a really great time!
