

We're going to a  
Halloween Festival!

The Pods Social Story Pack – We're Going to a Halloween Festival!

The Pods™

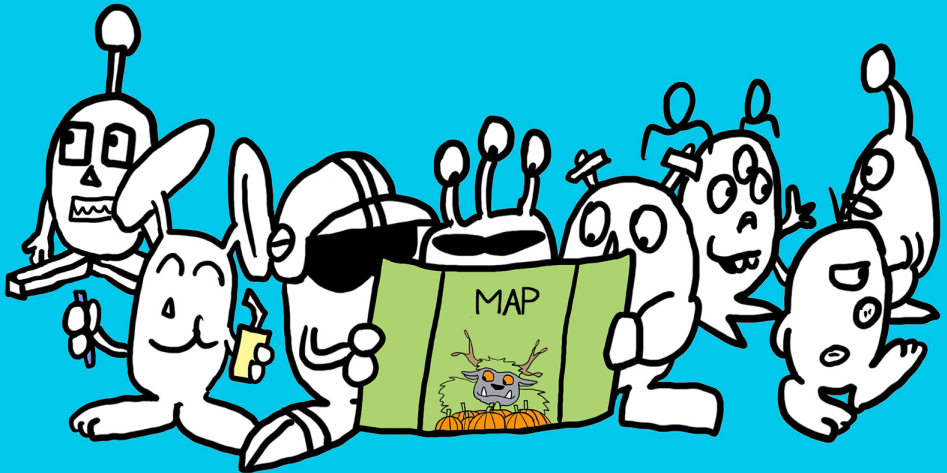

A Halloween festival is a big, exciting outdoor event with lots of Halloween-themed activities and people dressed up in fun costumes.

When we get there we show our tickets at the entrance. A friendly festival worker will help us to do this. They might be wearing a fun Halloween costume.

We can explore the festival. We can  
chose food from the food stalls and  
find our favourite activities.

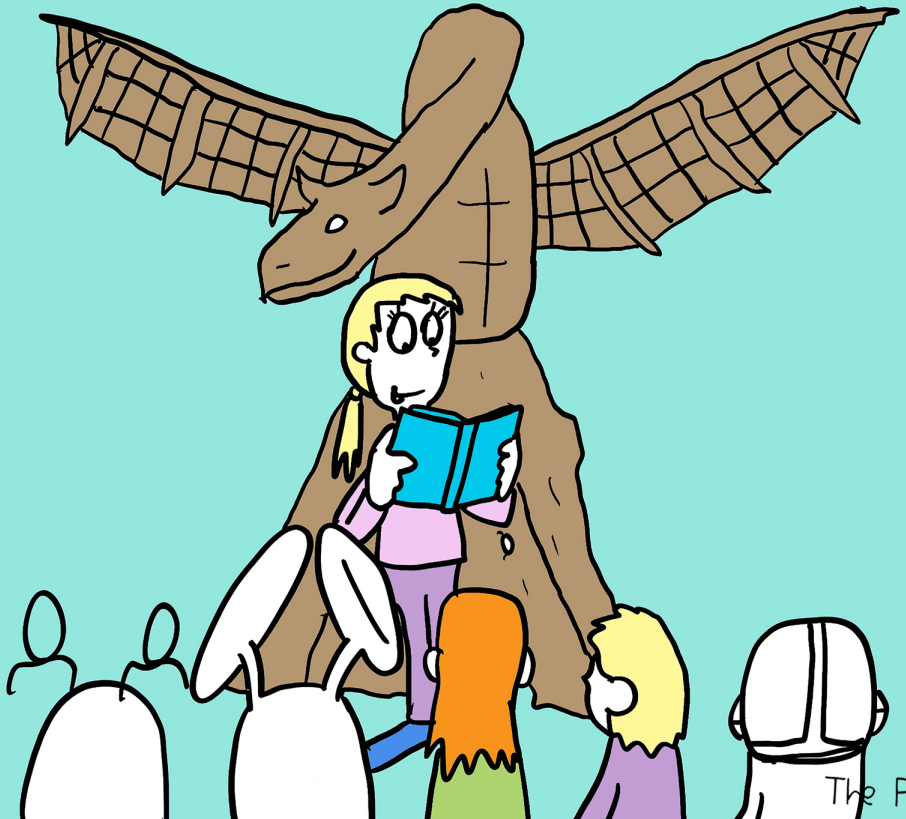

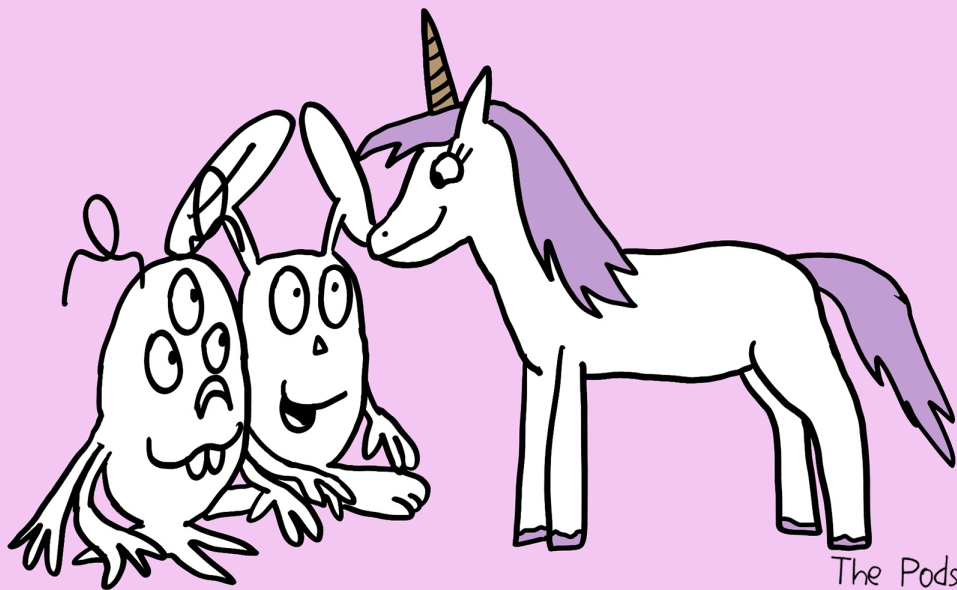

We can take a walk down  
Trick or Treat Avenue.

We can listen to a story  
at the Dragon Sculpture.

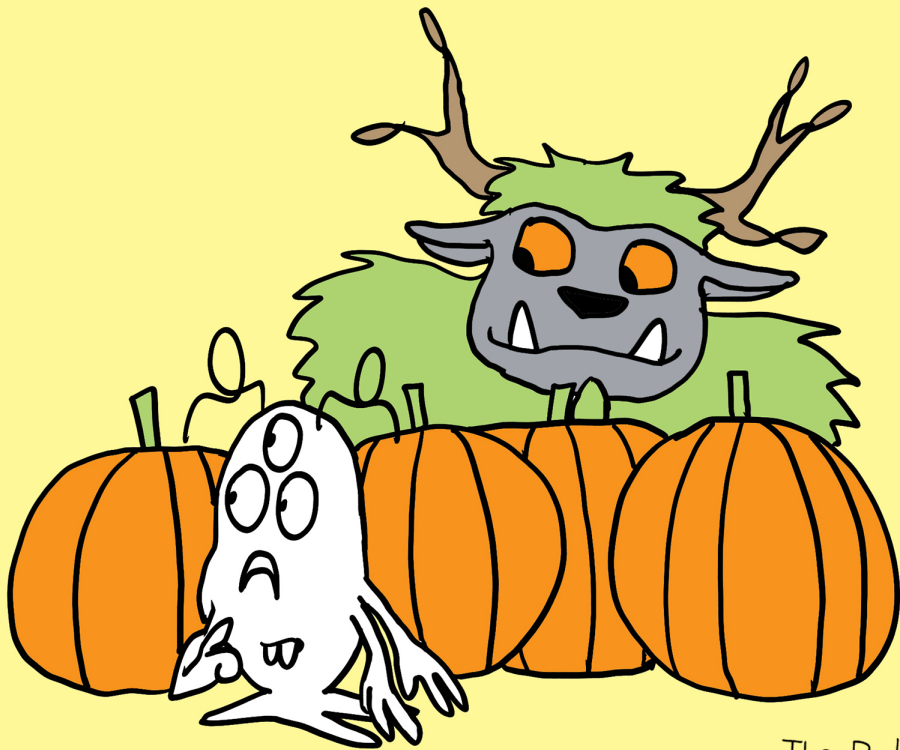

We can meet  
The Halloween Unicorns  
at Unicorn Retreat,

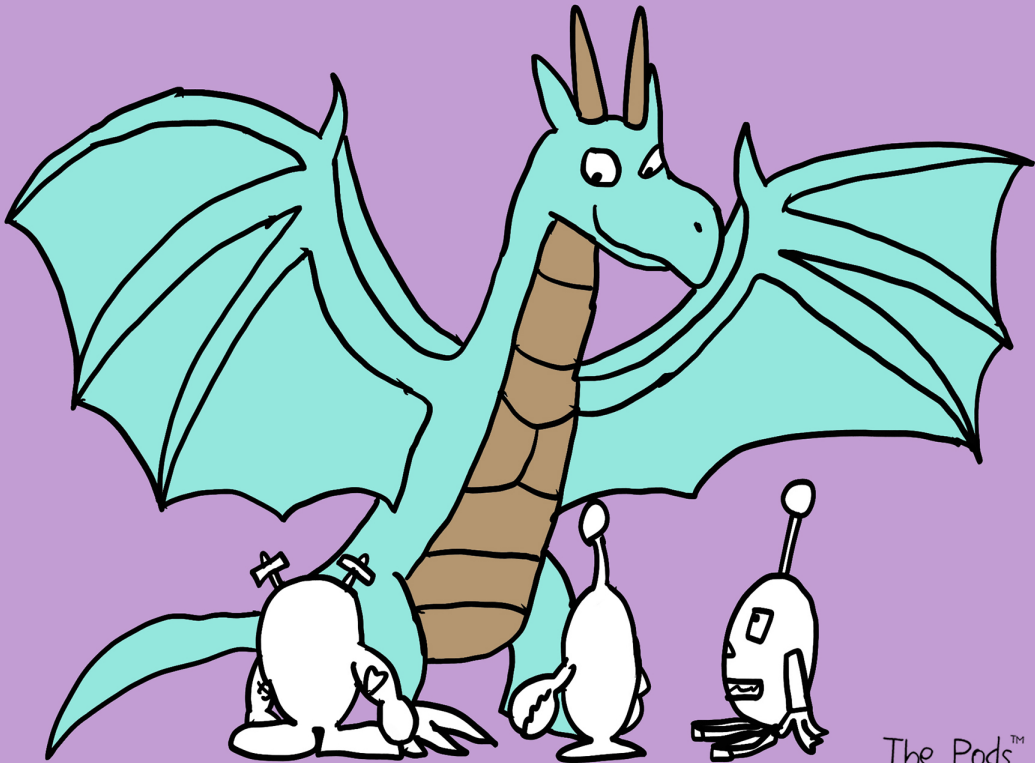

or see Merlin at  
the Wizard's Domain,

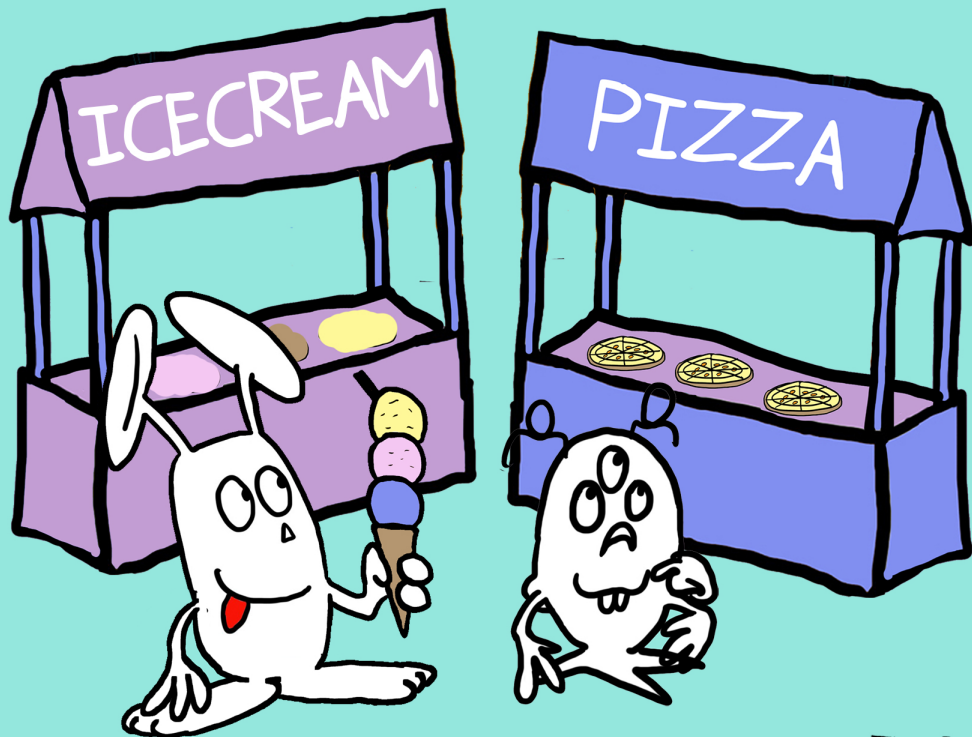

or meet Gurt in his Pumpkin Patch,

or even meet Zephyr the Dragon  
at Zephyr's Den!

We can chose from lots of lovely food like  
Pizza, hot dogs, baguettes, belgian waffles,  
kids' lunch boxes, and ice cream!

There are lots of fun activities  
we can chose from. We can  
bounce on the bouncy Pillow,

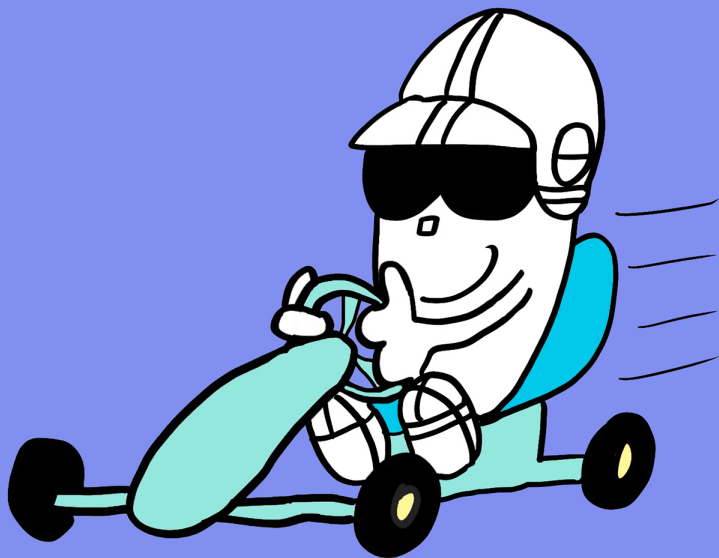

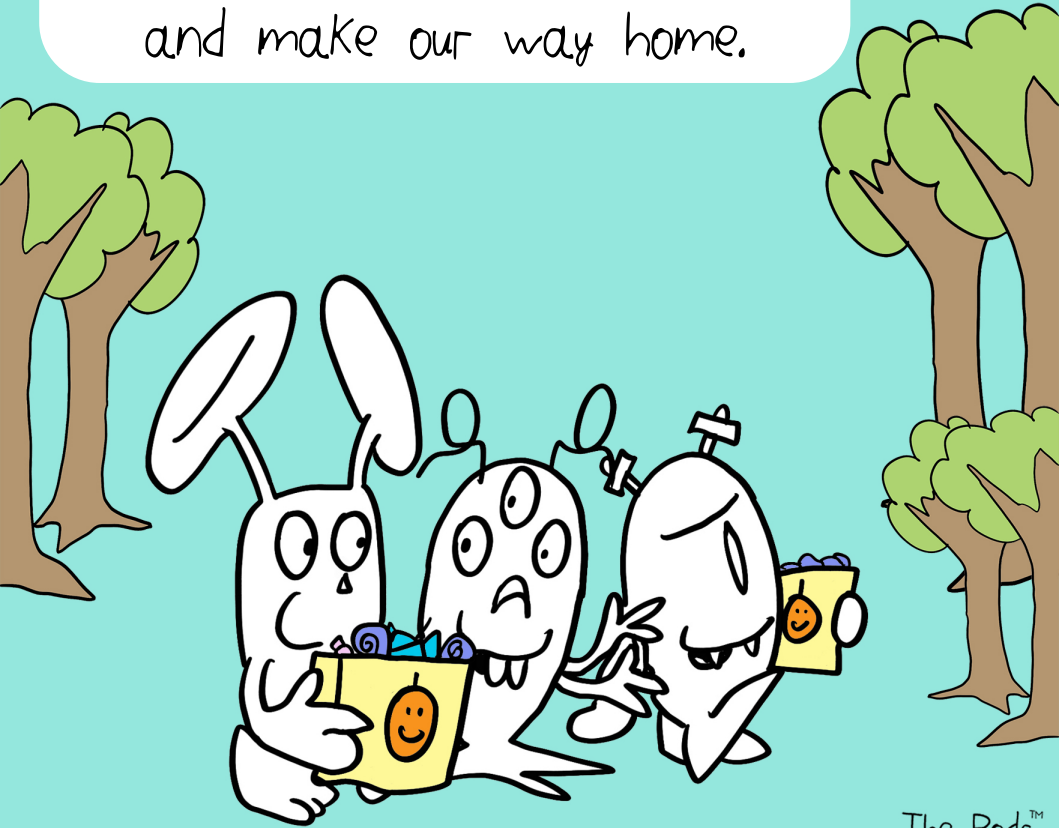

or we can carve  
funny faces into pumpkins,

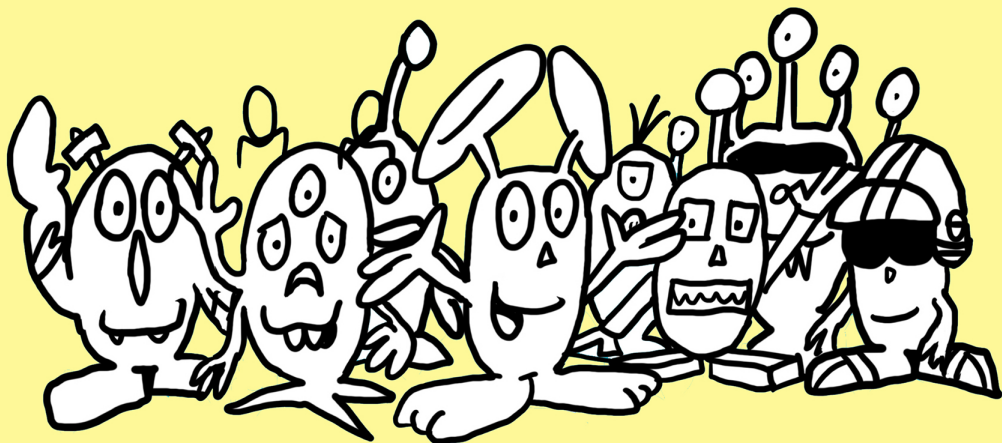

or go for a ride  
on the Dragon Carts.

When we are ready to leave we  
will walk out of the festival  
and make our way home.

...and we will have  
a really great time!
