

We're going to a festival!!

What shall we take with us?

How are we going to  
get to the festival?

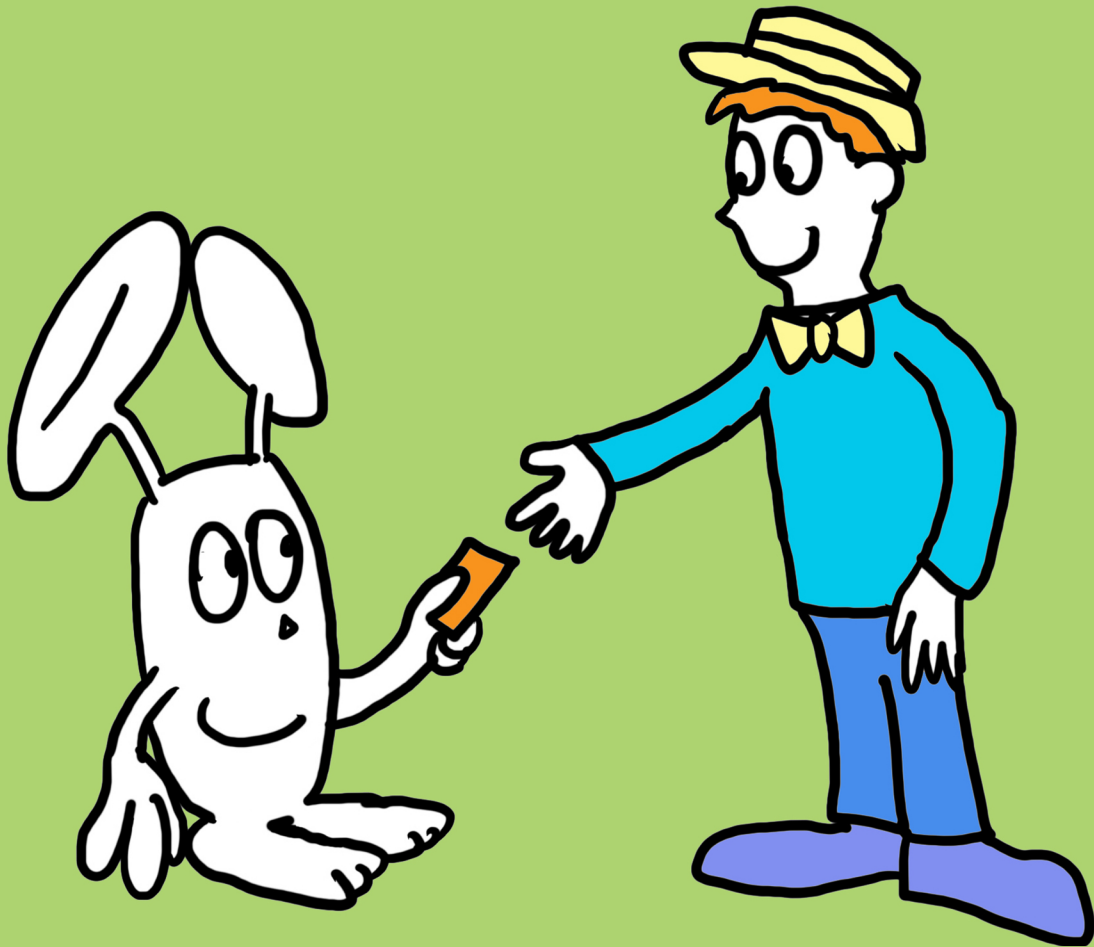

A festival is a big, exciting outdoor event with lots of music, fun activities, and people.

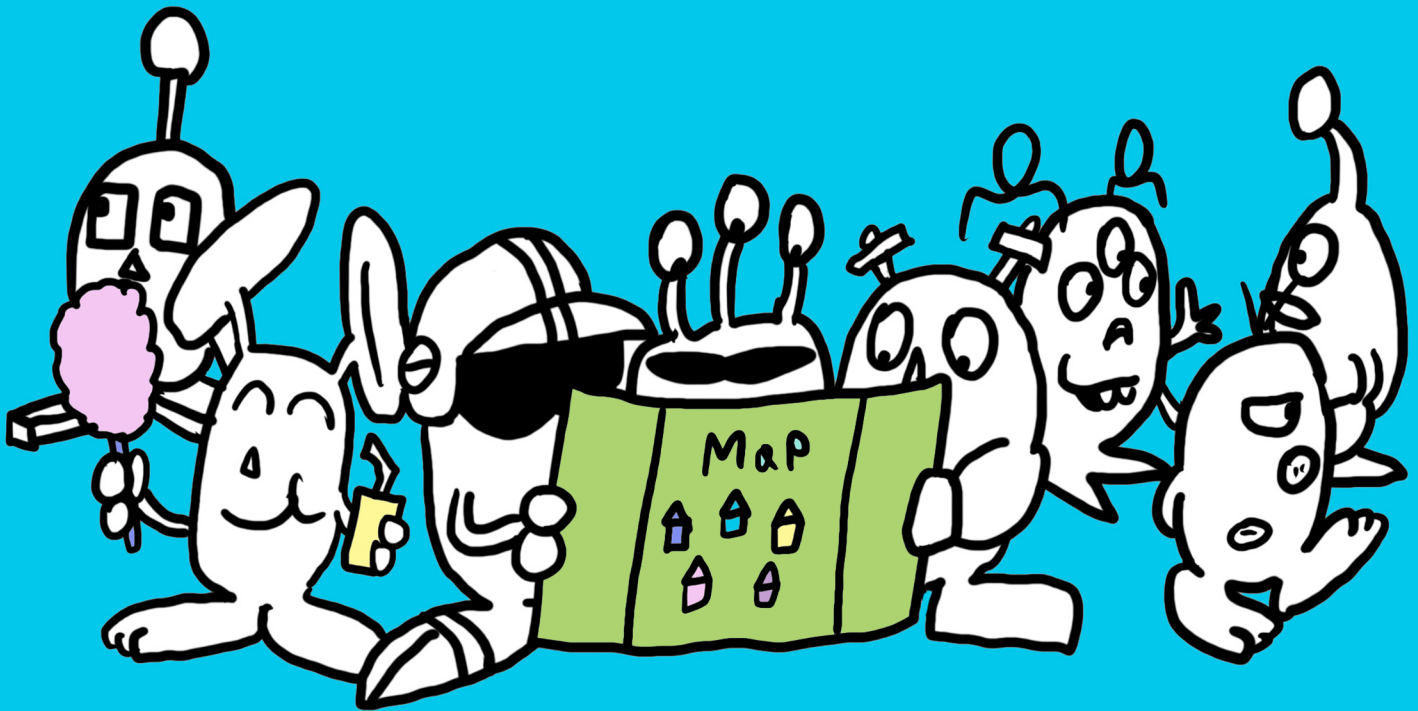

We will go to a special outdoor area, maybe a field, a park or a farm to get to the festival. A festival is a busy place full of people having fun.

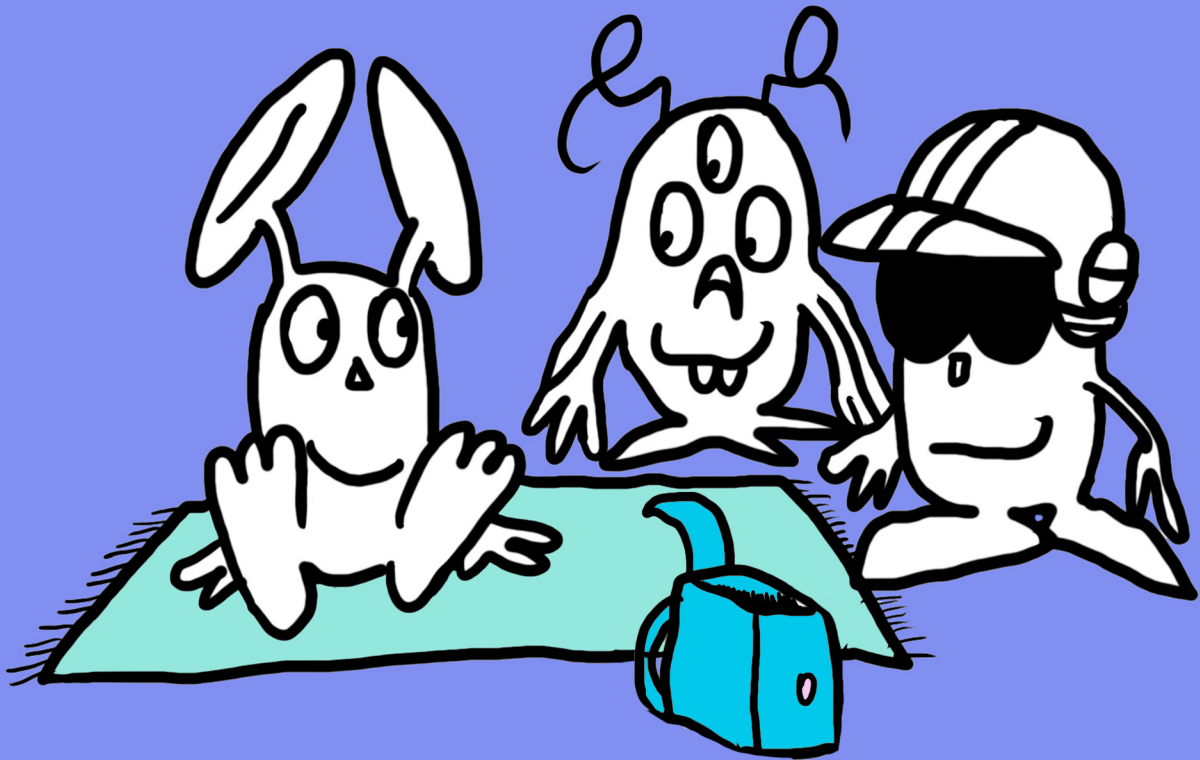

We show our tickets at the entrance.  
A friendly festival worker will help us  
to do this.

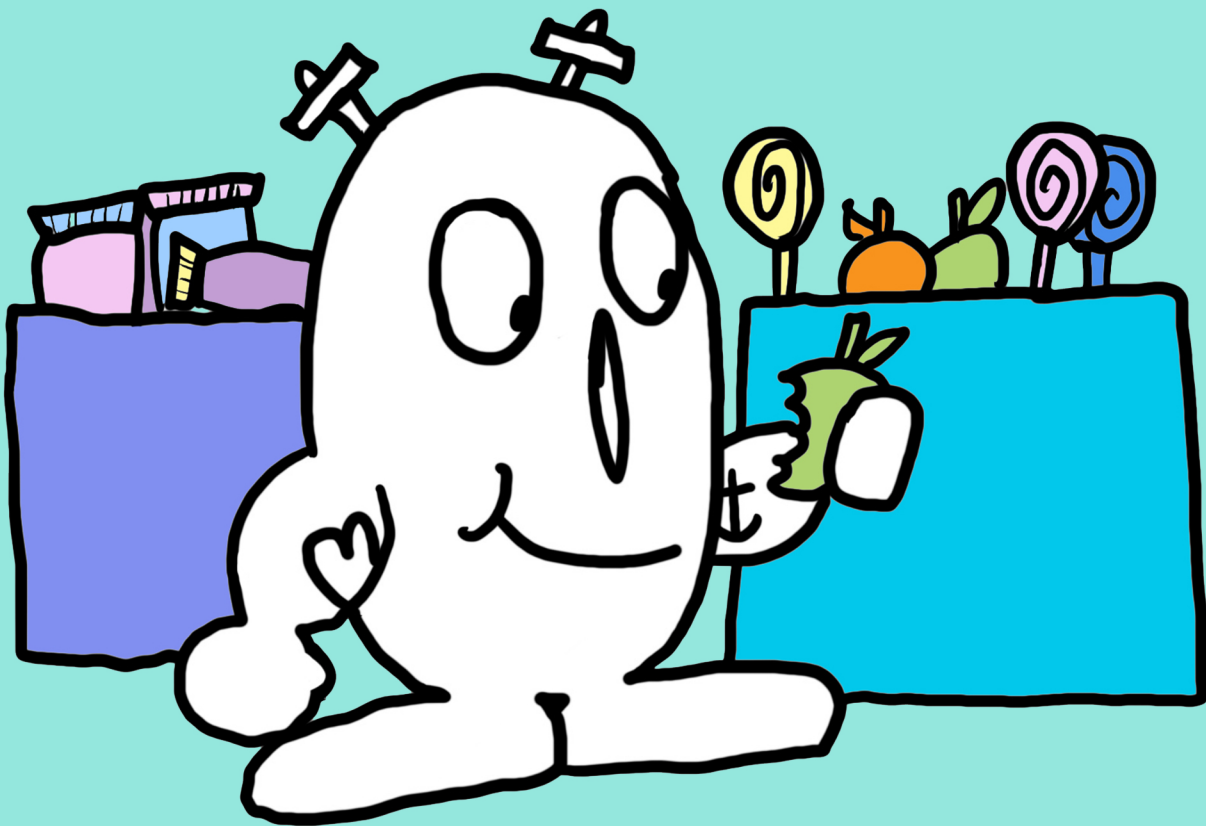

We explore the festival. There are food stalls, places to sit, and different things to look at.

We find a good spot to see and hear.  
We can put our bags down next to  
us or keep them on our laps.

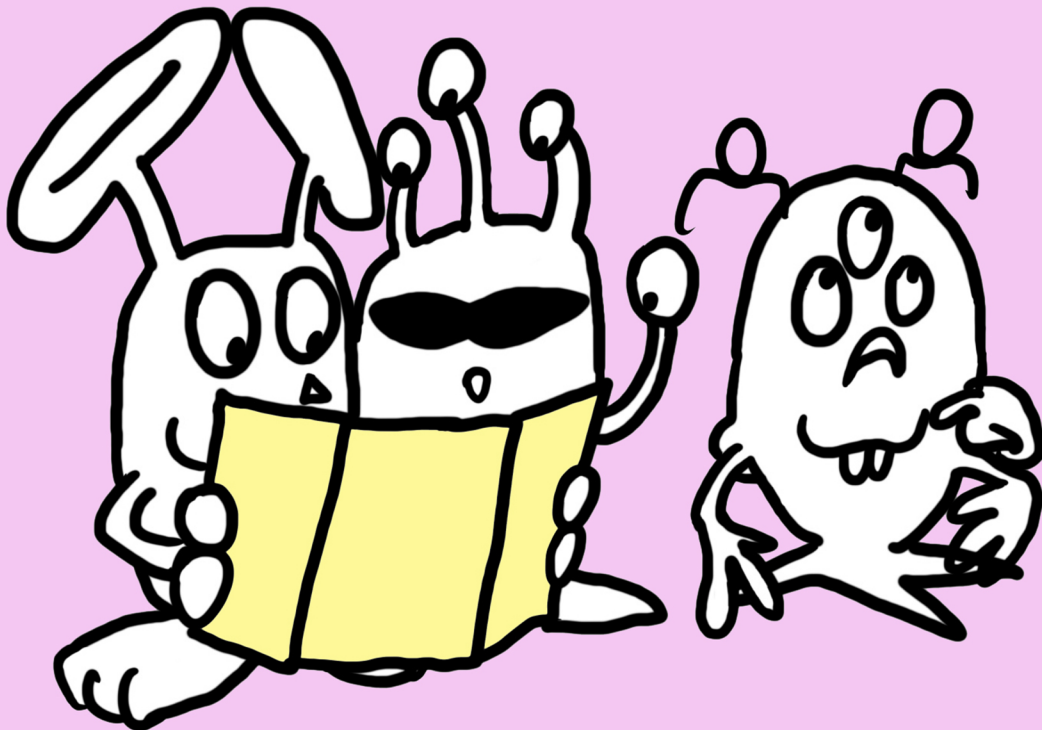

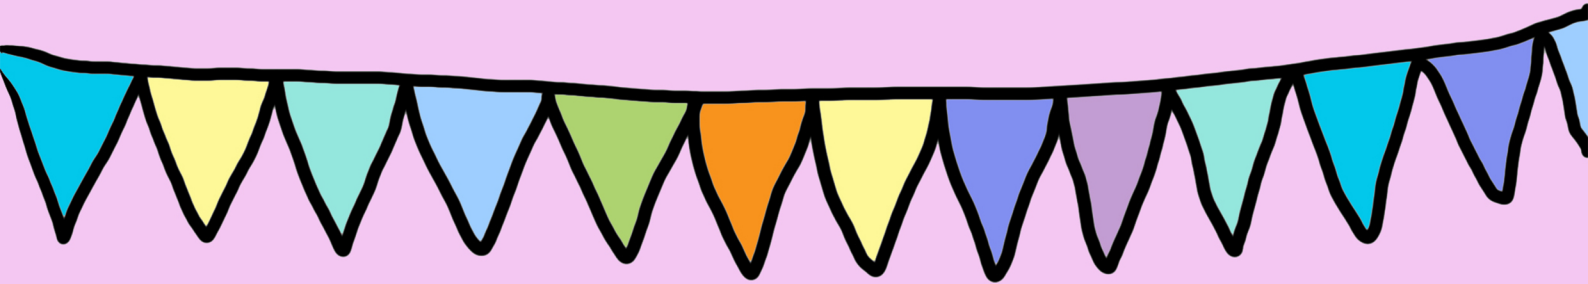

There will be new smells from food stalls  
and lots of different sounds all at once.  
We can take a deep breath or eat a familiar  
snack to help us feel more comfortable.

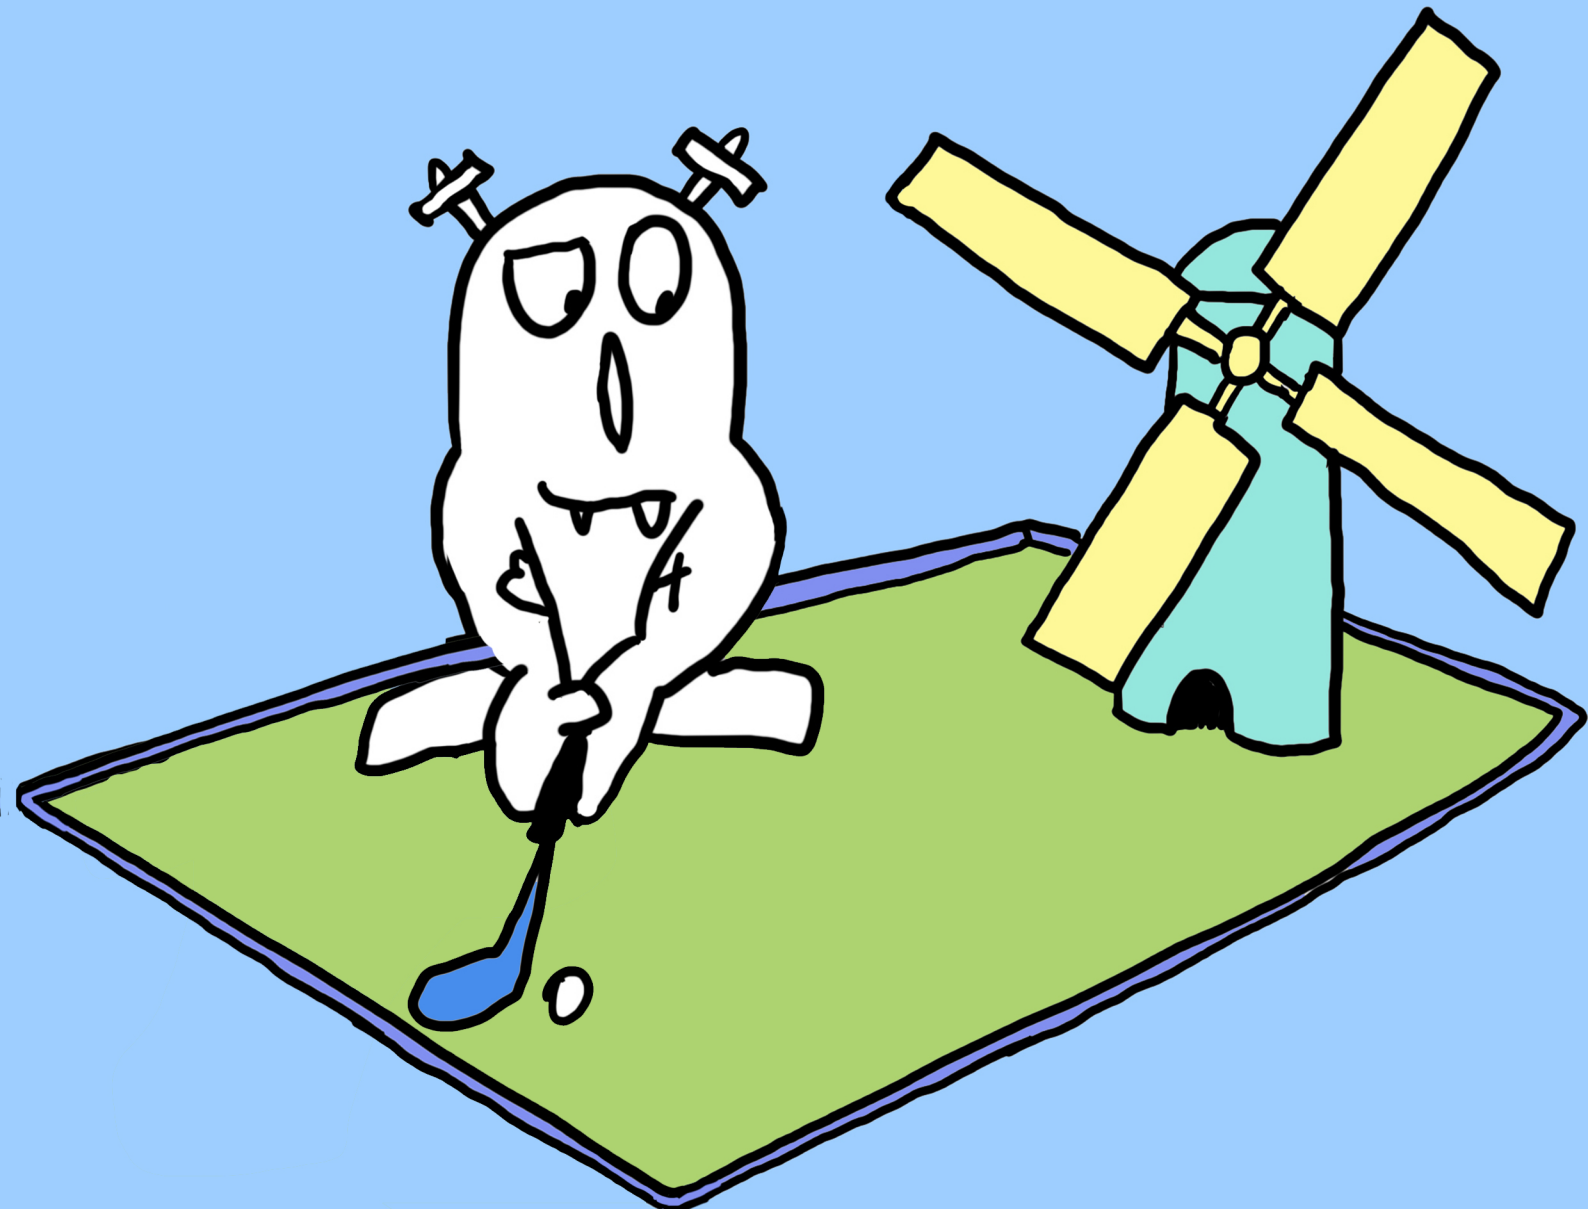

When the festival is loud, we can wear ear defenders or headphones to make the noise quieter.

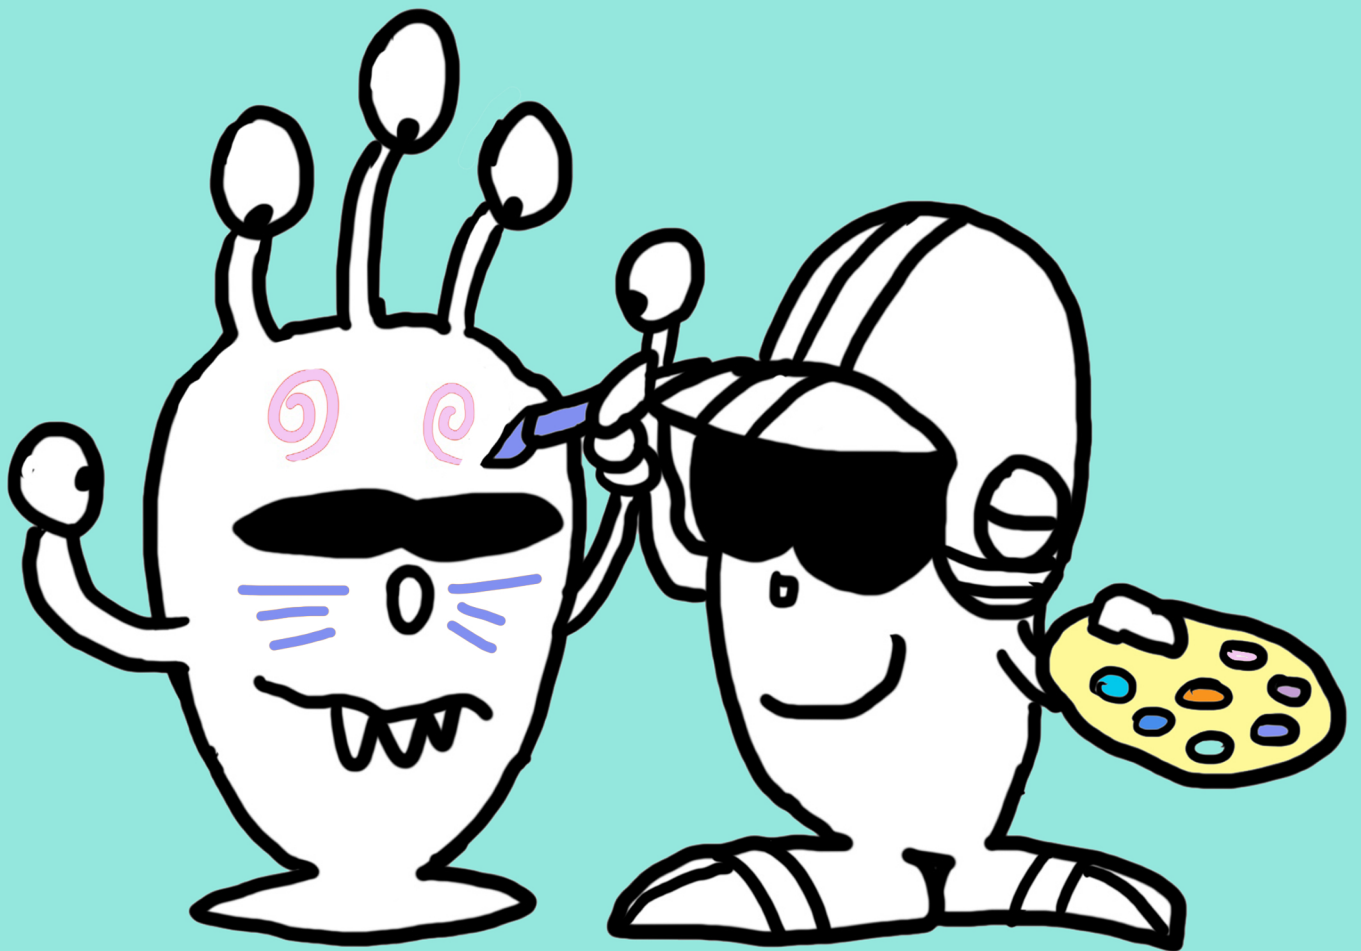

We can look at all the colourful sights,  
like flags, costumes, and decorations. We  
can also read a book or play quietly.

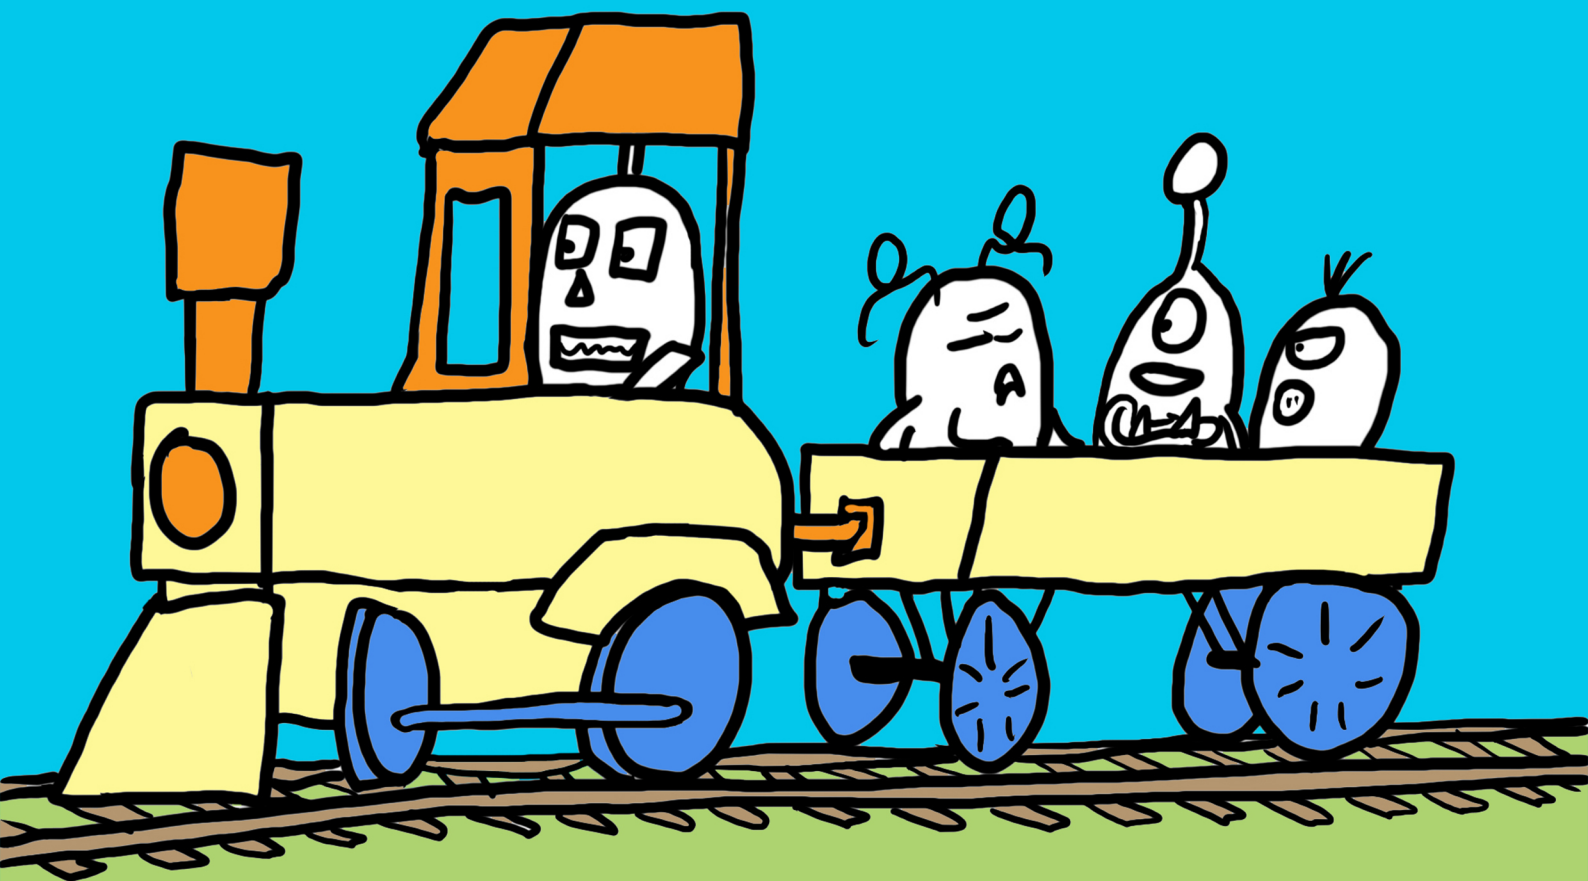

We can do lots of fun activities  
including crazy golf...

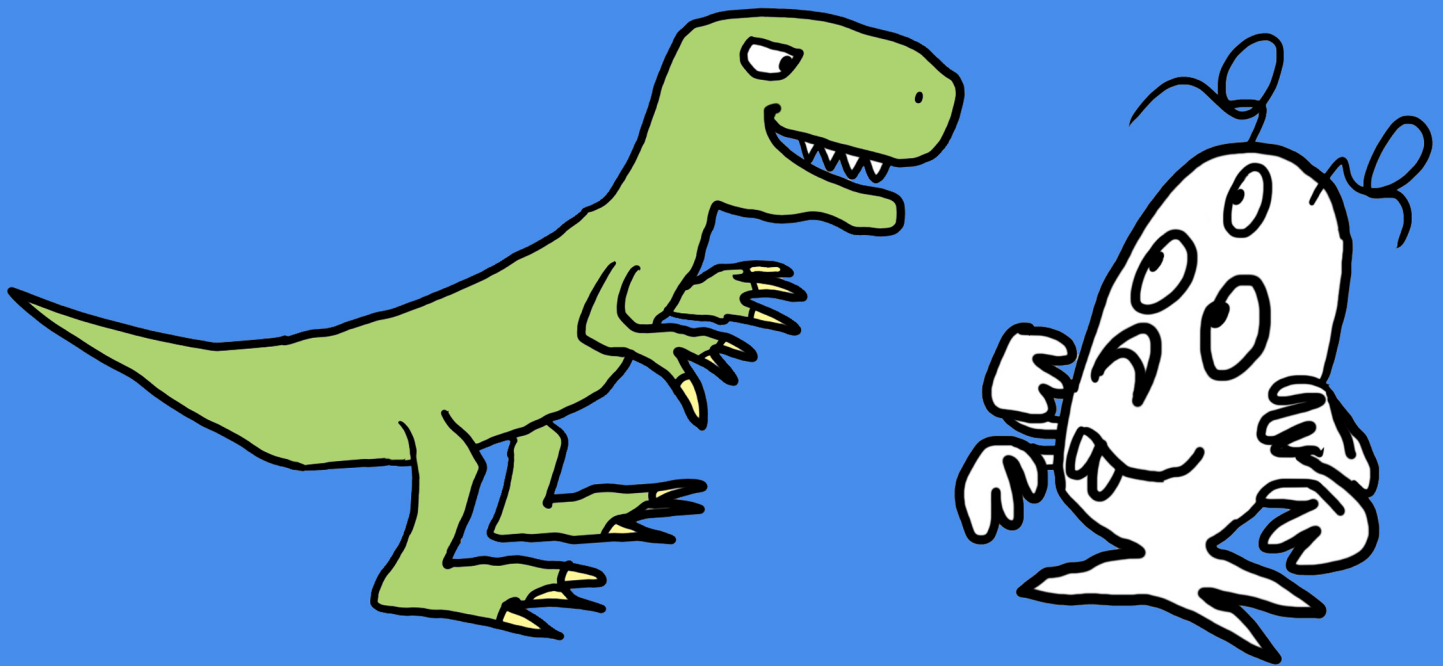

or face painting...

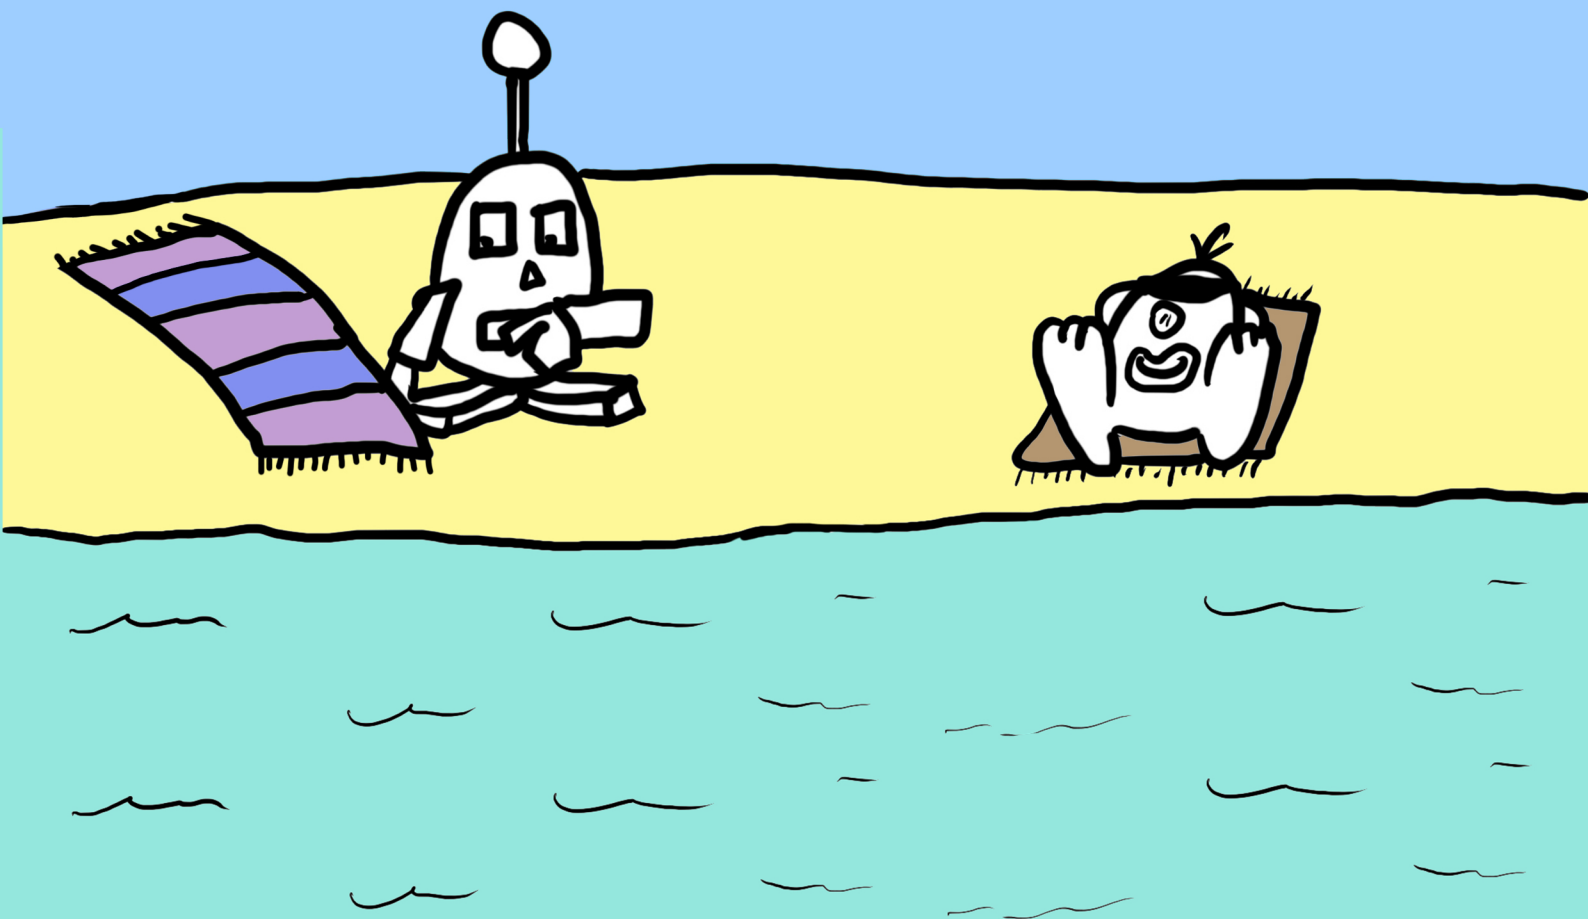

or go on a train ride...

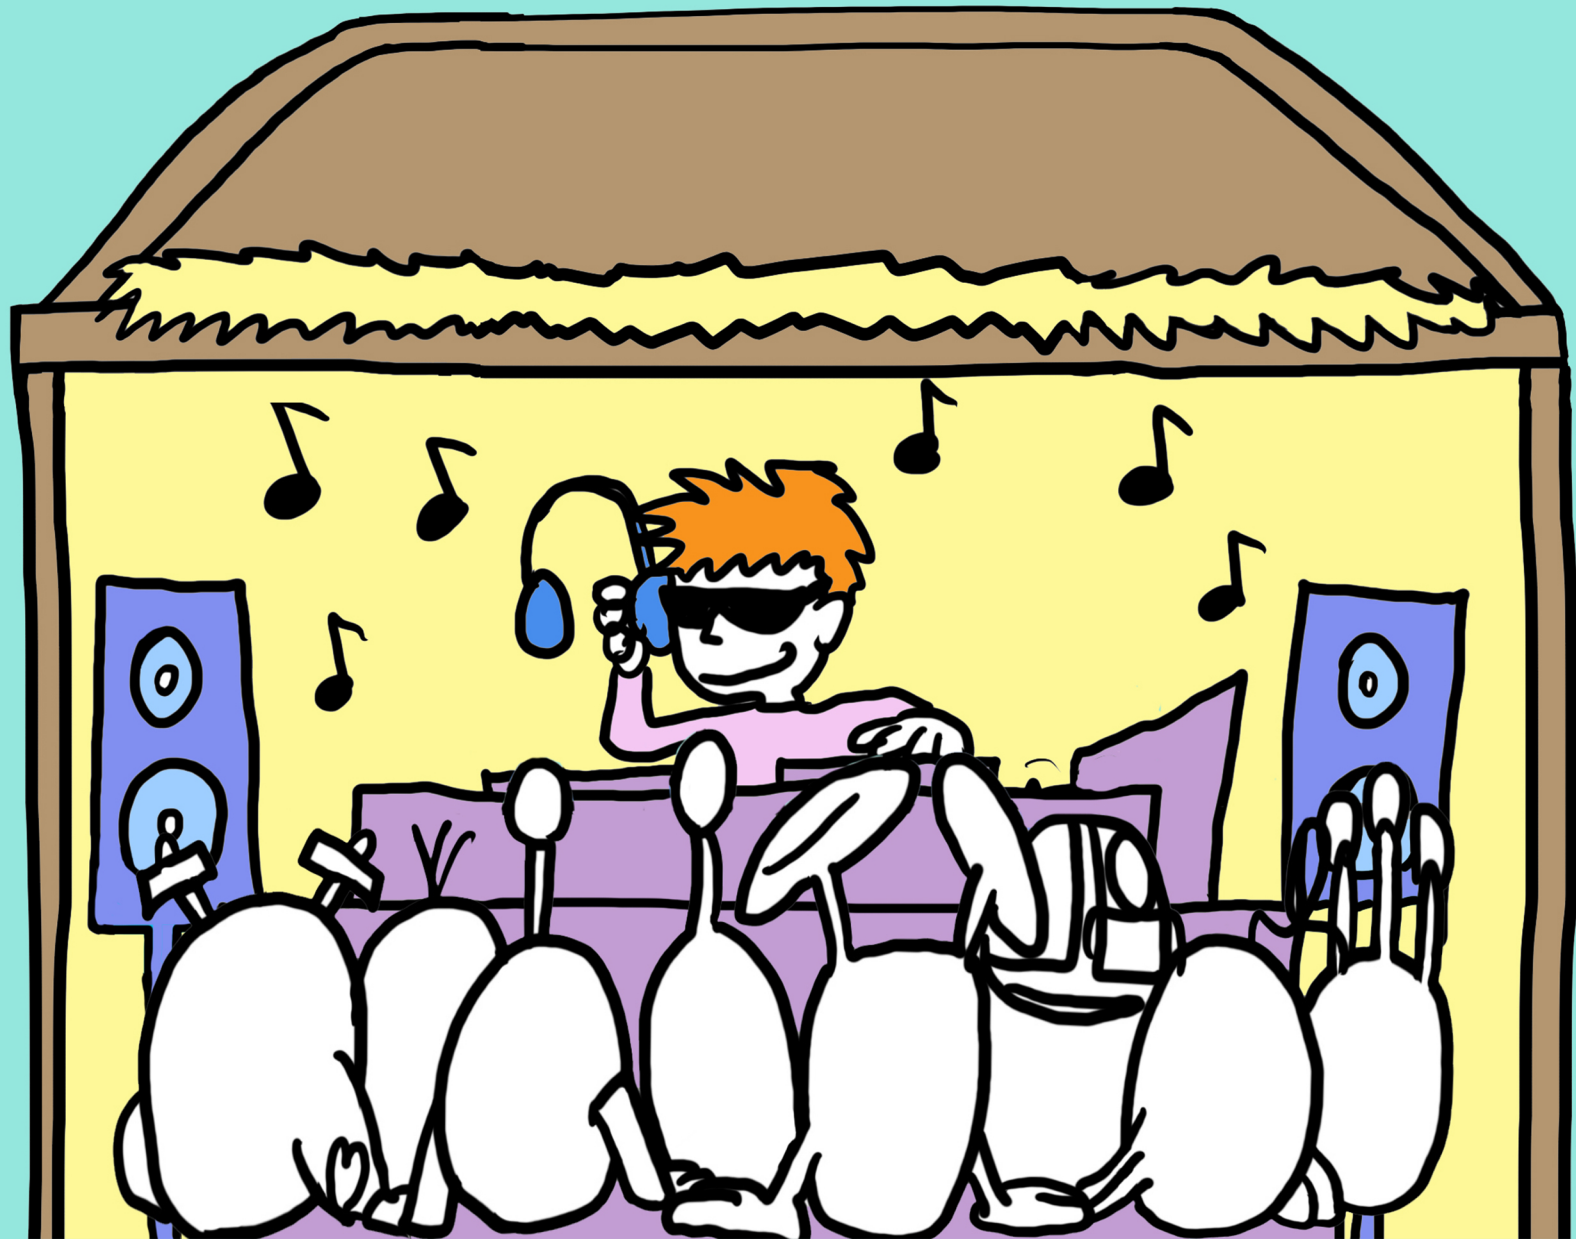

or we can visit the dinosaurs...

or go to the beach...

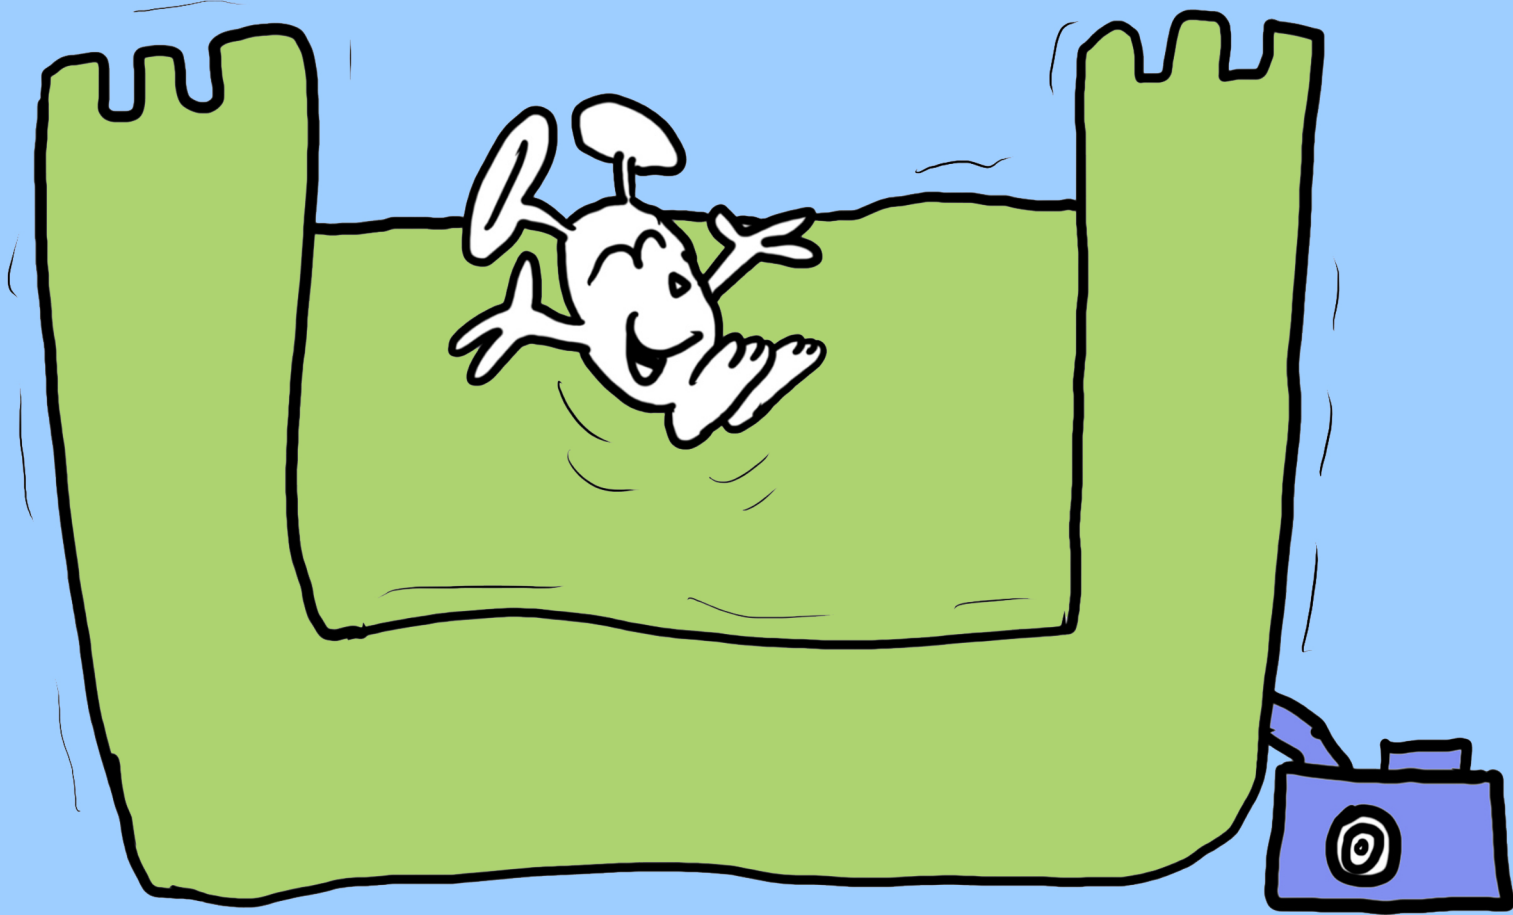

or have a go at being be a DJ!

We can bounce on the bouncy Pillows...

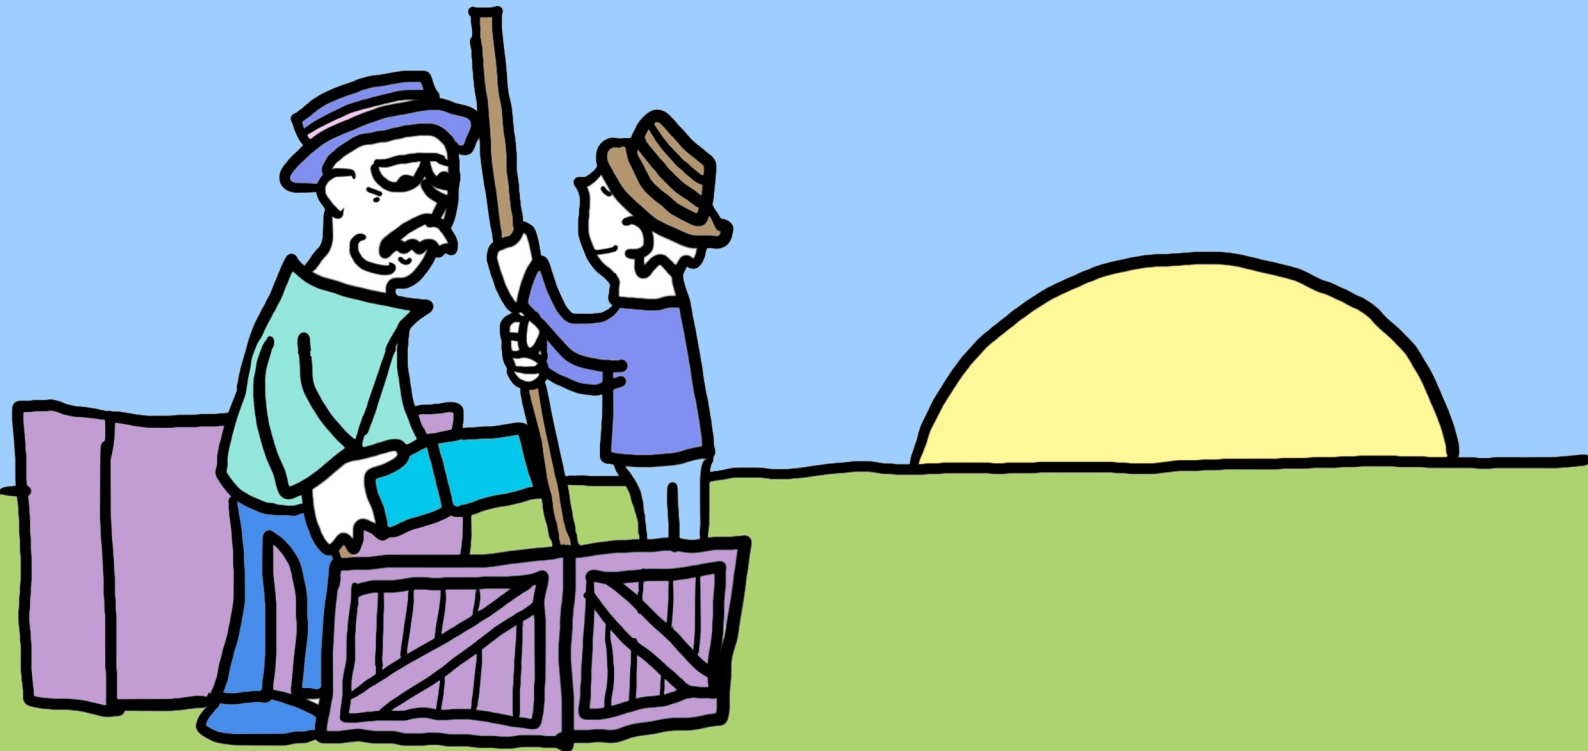

or try out the Beast Inflatable

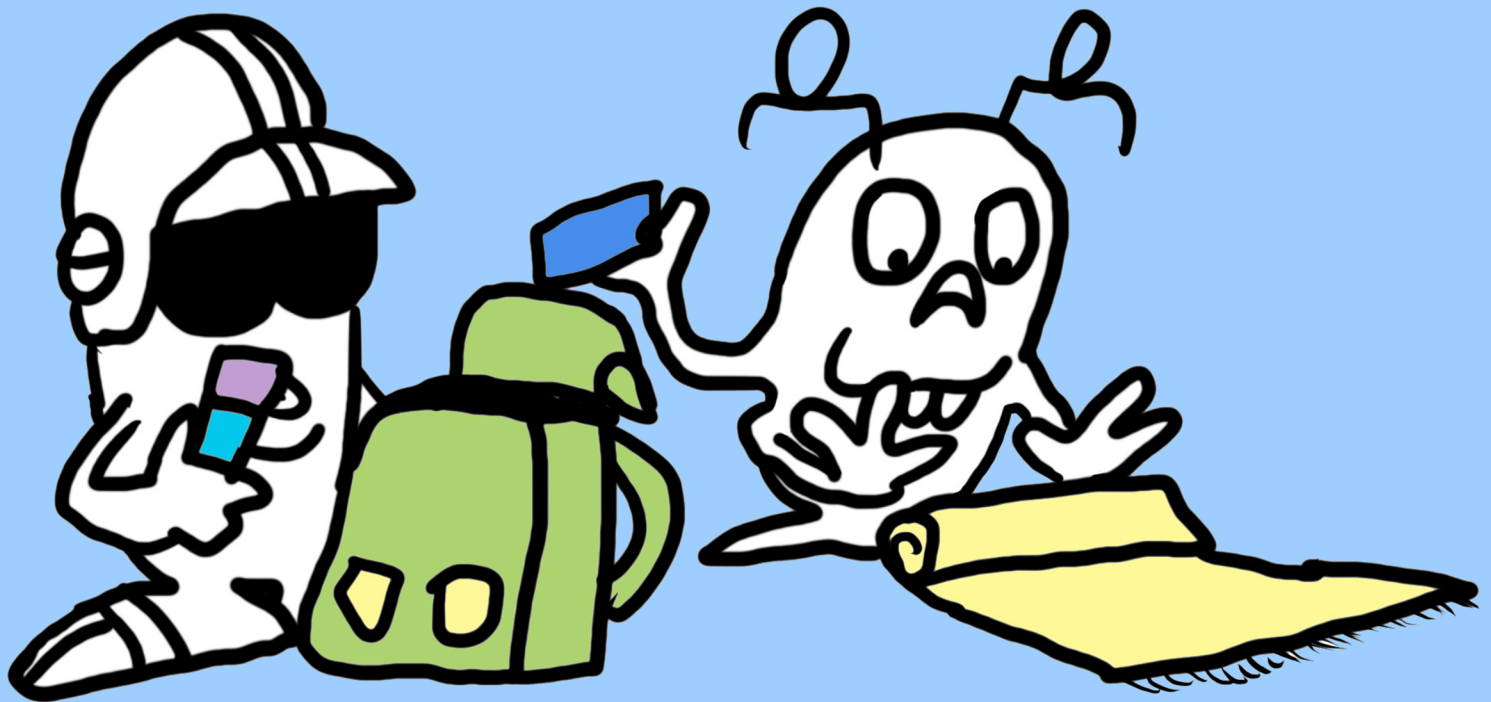

or we can just chill out...

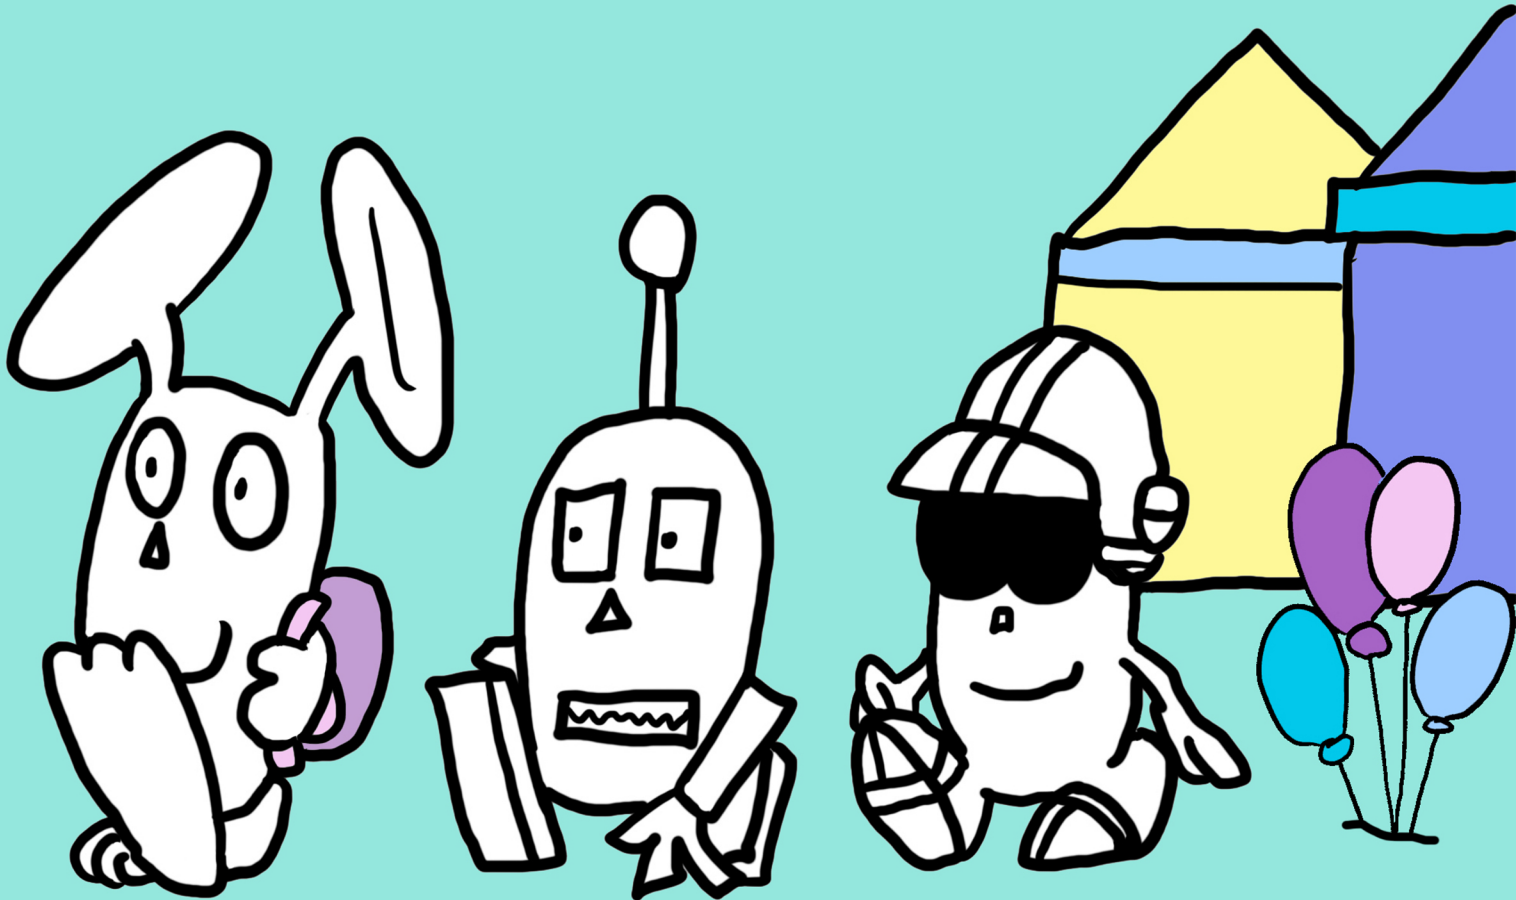

When it's the end of the day, there might be a final announcement. The music might start to quiet down, and people will begin to leave.

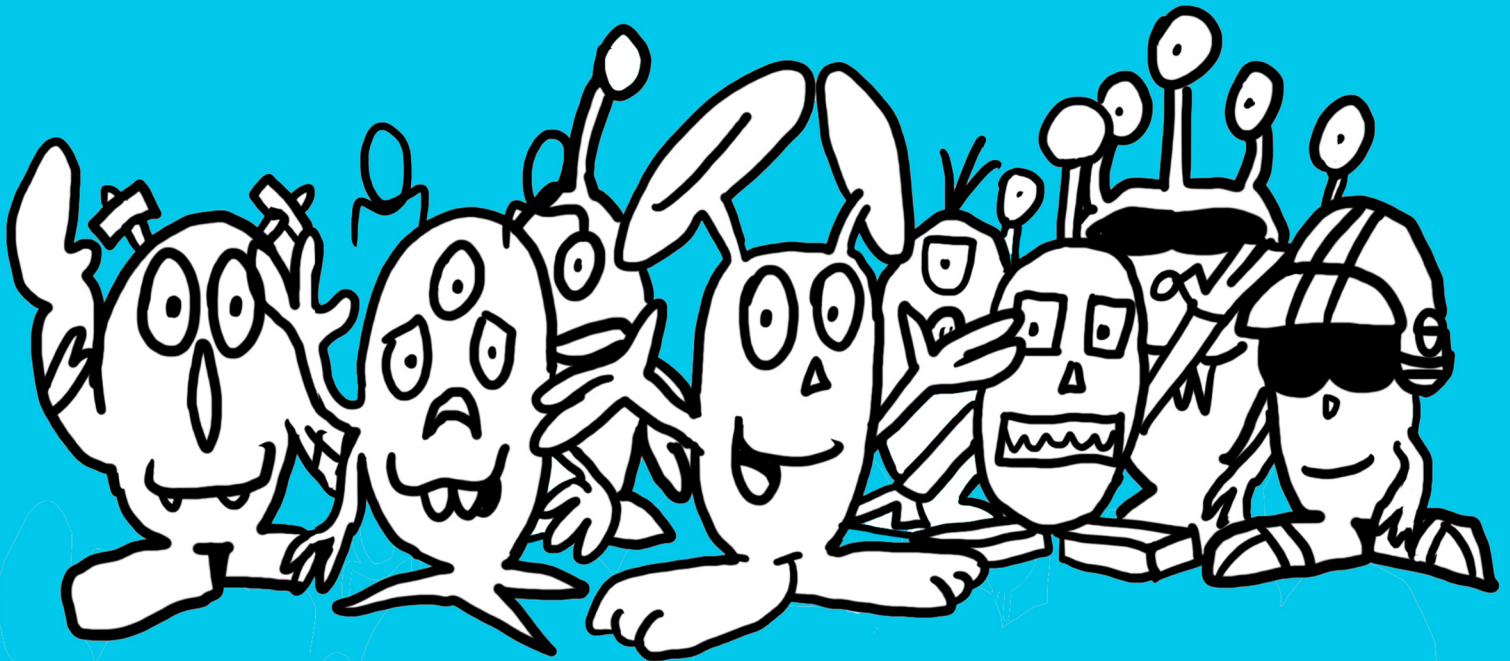

When we are ready to go home, we will pack up our things carefully so that we don't leave anything behind.

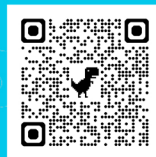

We will walk out of the festival in the same way we came in, ready to go home.

...and we will have  
a really great time!
