

We're going on
an aeroplane!

The Pods Social Story Pack – We're Going On An Aeroplane

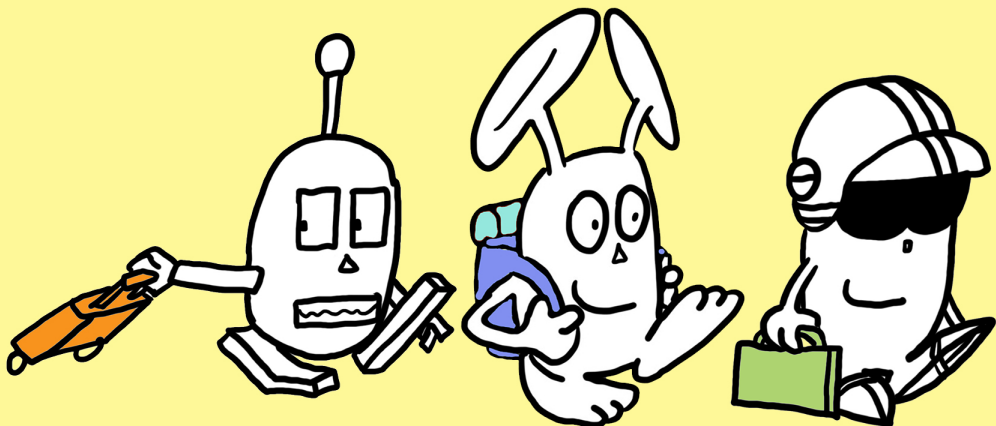

Who are The Pods?

The Pods are a group of eight unique and diverse characters, each with their own quirks and personality traits. Together they celebrate each other's strengths. Through humour and teamwork they address all of life's ups, downs and triumphs.

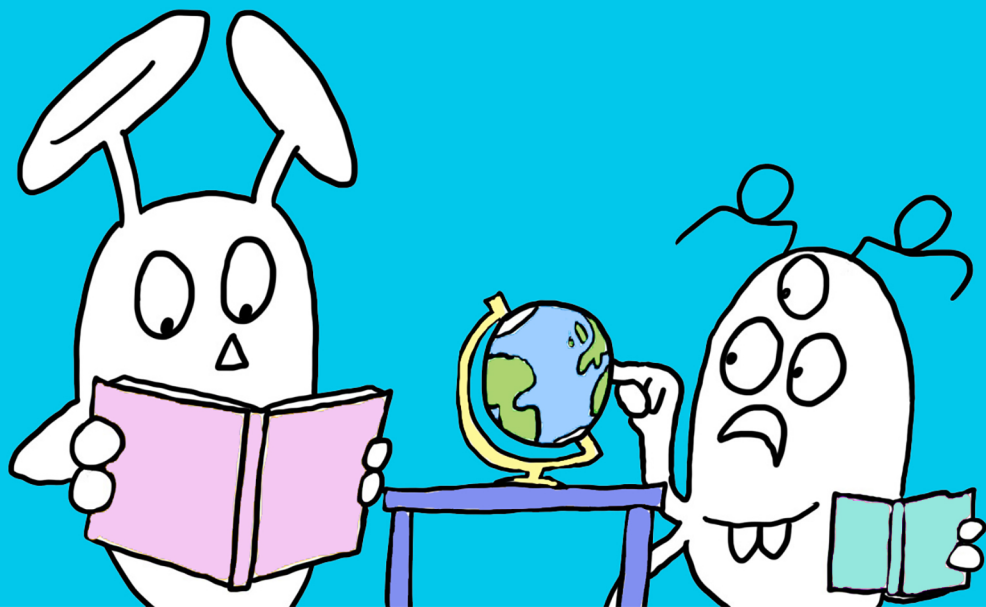

Travelling can be great fun and very exciting. Where will we go?

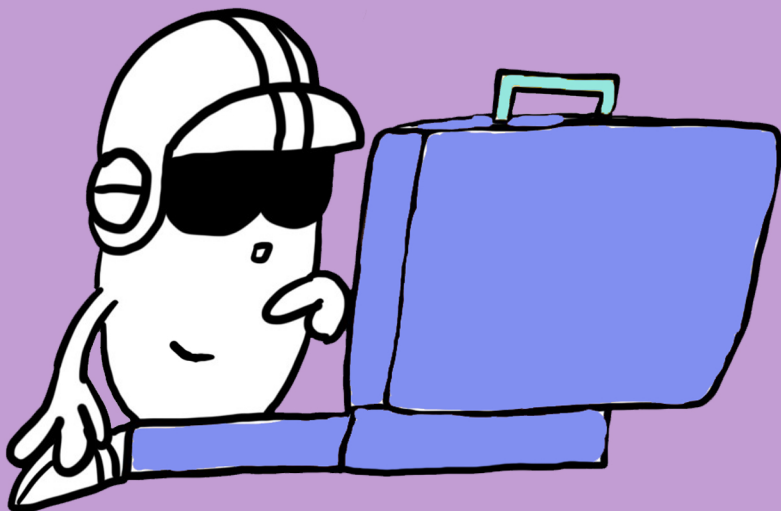

Join the Pods as we take the first steps of our journey.

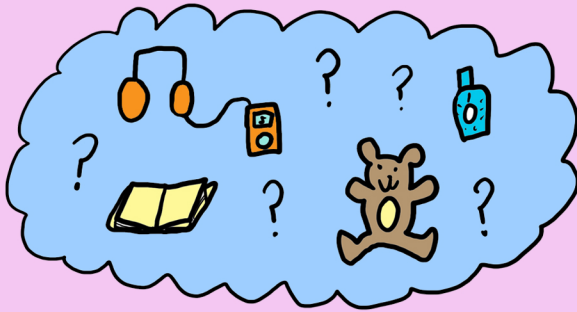

We are going on holiday.

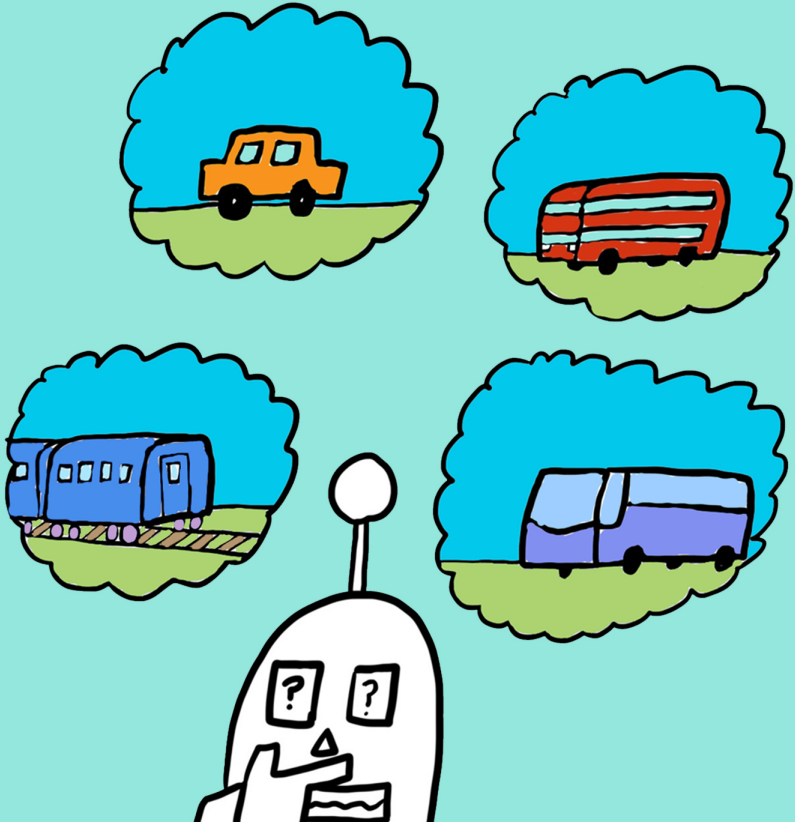

We pack our suitcases...

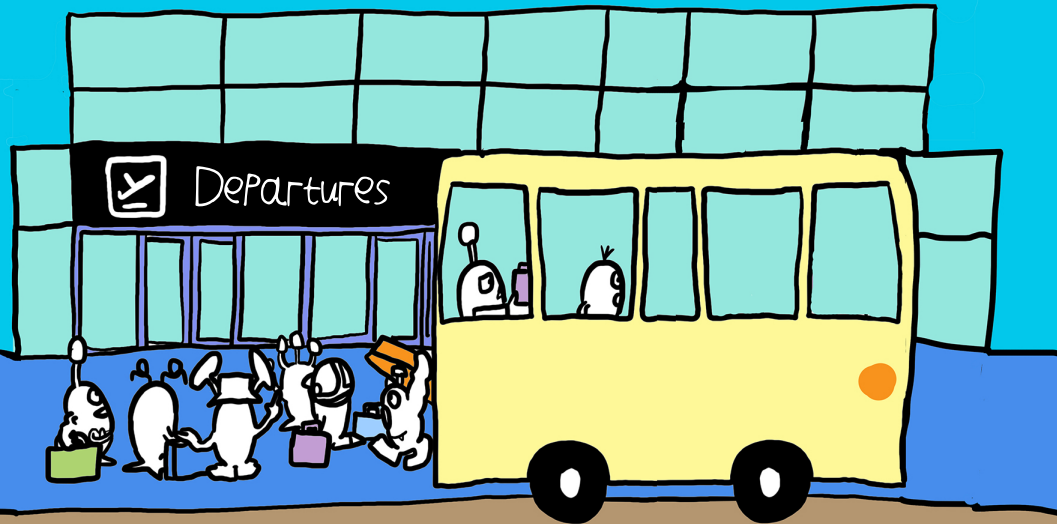

and our backpacks,
don't forget the snacks!

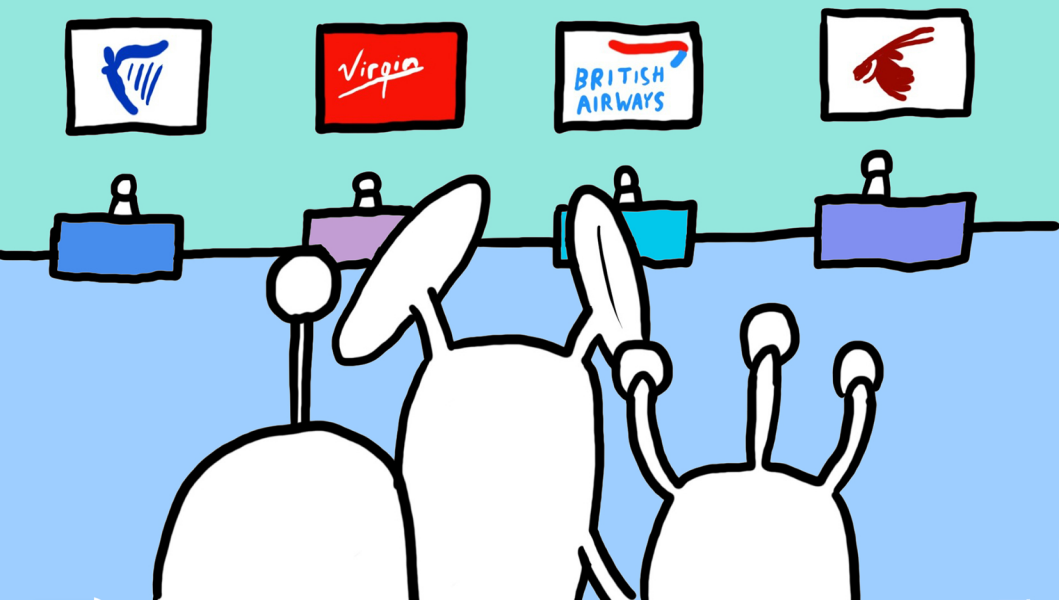

We are going to the airport. We could go by train, or bus or coach.

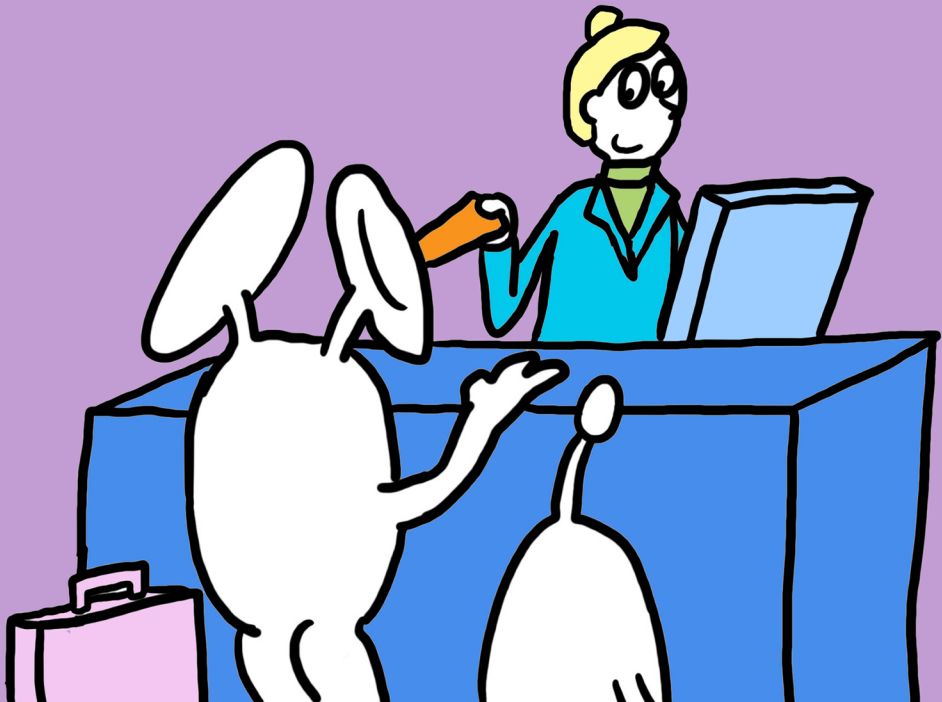

The airport is a very big building.
That's where we get on the aeroplane.
An airport is a busy place full of people
travelling to countries all over the world.

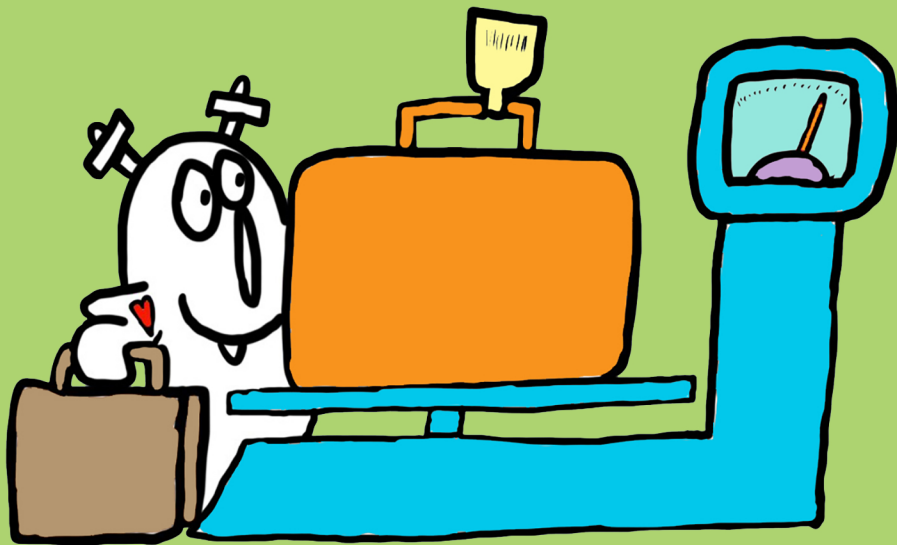

When we get to the airport we have to find our check-in desk. There are lots of different desks, so we have to make sure we get the right one.

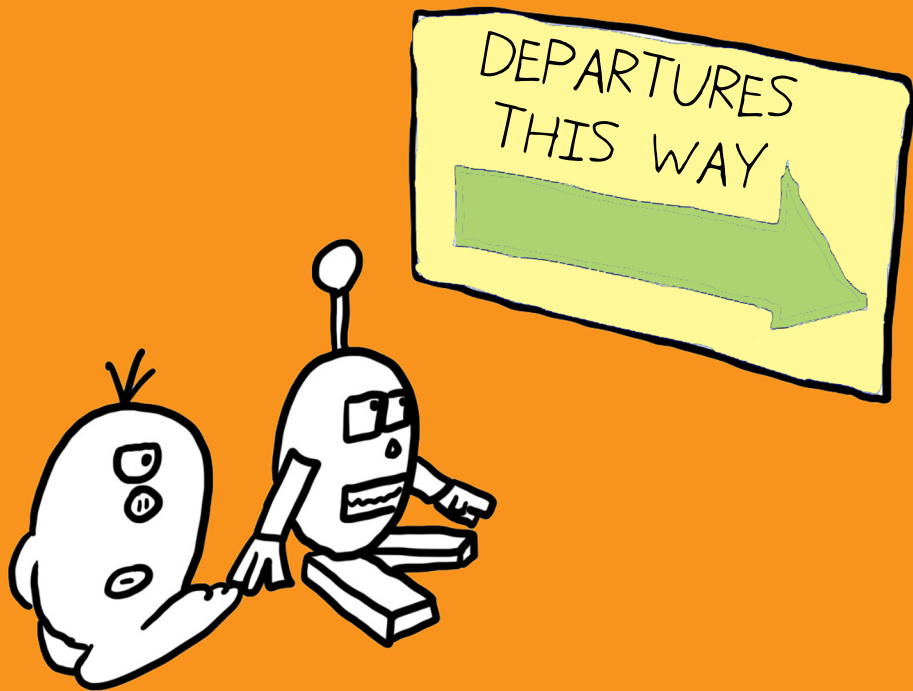

The person at the check-in desk checks our tickets and passports. The person also gives us our boarding passes.

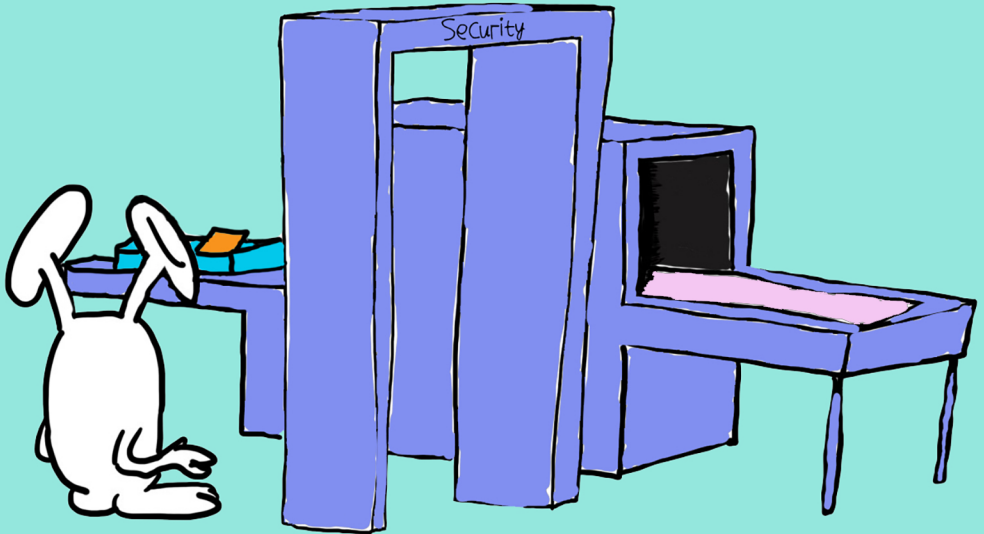

We Put our suitcases on the scales to make sure they're not too heavy.

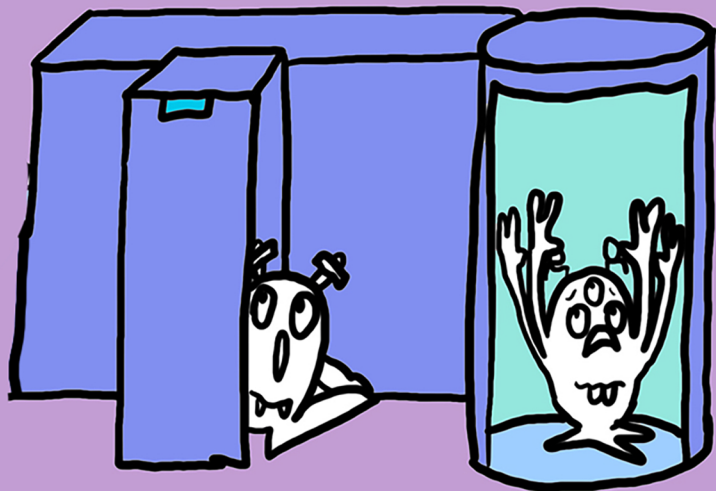

Then we follow
the signs for departures.

We put our bags through the scanner.
This makes sure everything that goes
on the aeroplane is safe.

We go through a scanner too.
It's a bit strange, but we can do it!

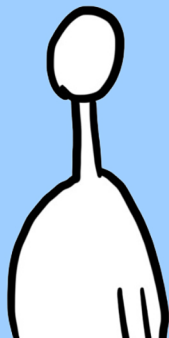

Next we show our Passports to
the person at Border Control.

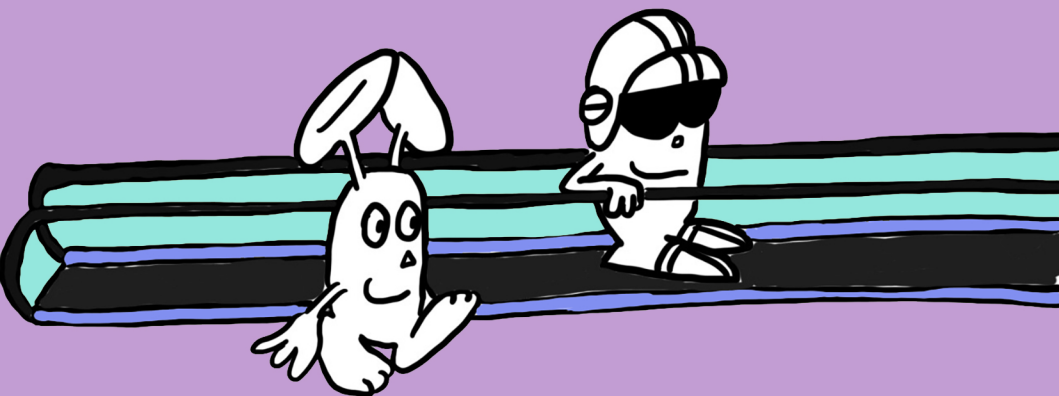

We check the departure board for the flight number. When it's the right time the departure board tells us which gate to go to – that's where the aeroplane will be waiting for us.

9.00 am	California	Departed	Gate 1
9.30 am	Spain	On time	Gate 3
10.00 am	Tokyo	On time	Gate 2
10.20 am	Paris	Delayed	Gate 7
10.30 am	Rome	On time	Gate 9
10.40 am	Italy	On time	Gate 5
10.45 am	Canada	Delayed	Gate 6
10.50 am	Dubai	On time	Gate 4

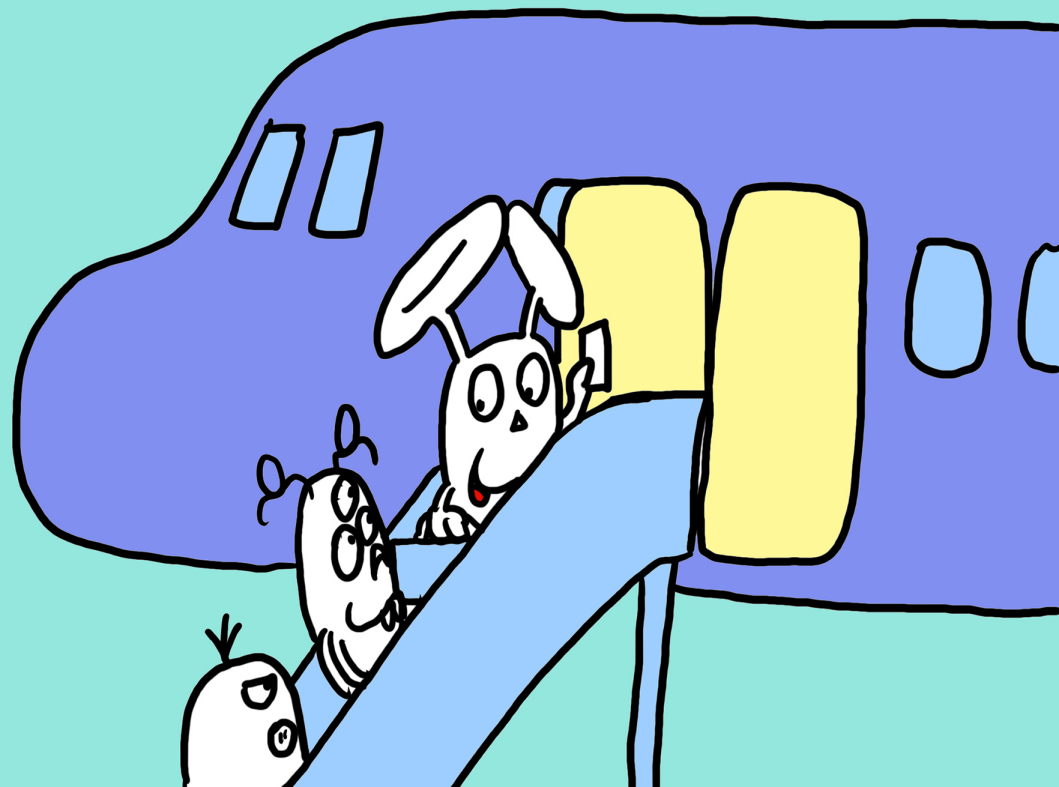

We walk to the gate. There are long moving walkways to ride on. Or we can walk.

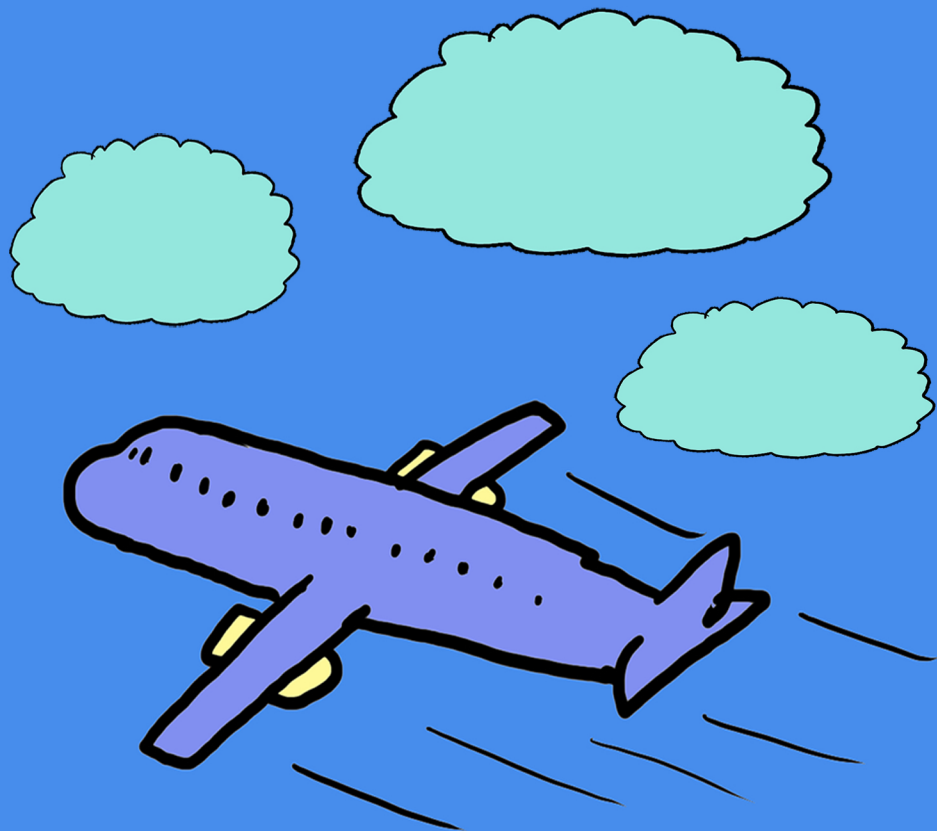

We wait at the departure gate,
lots of other people wait there too.
We're all getting on the same plane.

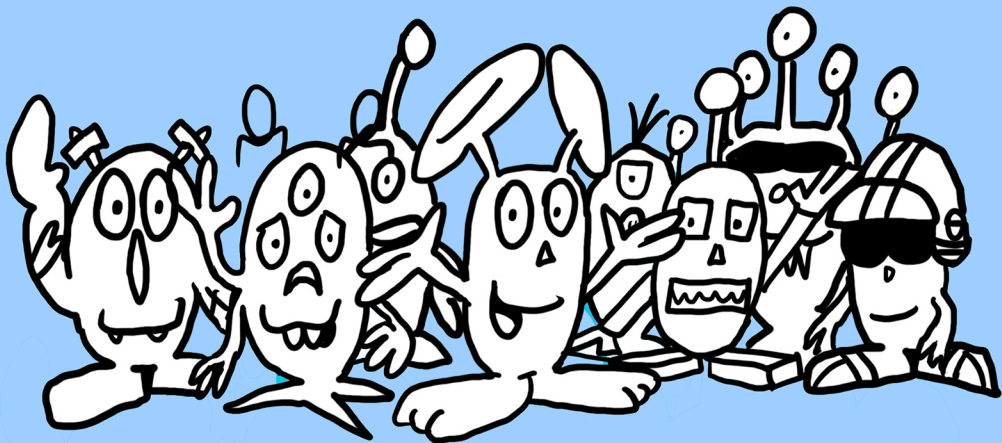

And then we get on the Plane.

...and we will have
a really great time!
